## **INTRODUCTION**

**You only wanted to laugh, instead tears and weeping came. You craved for good news, but a bad one came, a total decay is found all around you. Friends and relations seem to have deserted you. Stand your ground. The world has never come to an end. Men like you have overcome harder times. Keep calm, the Keeper of Israel is your Keeper. The Keeper of your soul is alive forever. Because He lives, you must live too. God will wipe away your tears. The end to that endless weeping has come. You have just said, could there be a time again in the world, when I can still laugh and be admired? Yes, it is now. Listen! The door that God will open for you now will never be closed again, neither will it be compared with the former glory. The ruler of the kingdom of darkness has done this evil against you, but his time has expired. Rejoice ever more, I say always rejoice, God has come to say peace be still, and it will be in Jesus Name. Believe it for yourself and the Lord will be glorified in your life.**

**Just change your thought about yourself. Forget the past and look to the future. The past glory with its failures has come and gone, but the future has better things to offer. Look at yourself as a success from now, and begin to see the dark cloud draw back for your new glory to appear.**

### **CAST DOWN BUT NOT BROKEN**

**It may be that since you were born nothing good has ever happened to you and the only thought that enters your mind is death, perhaps through suicide. Your business has collapsed, and you have been married for a long time without a child. May be you have been disappointed by promise and fail several times in marriage and your age is growing every day. Perhaps you have failed many exams and no hope of passing any in the future. Your problems are numerous and appear insurmountable. Do not despair. There is good news for you. There is hope, do not kill yourself, there is a way of escape out of all troubles. No matter how long you have been down, but thank God you are not broken into pieces, God can still do something out of your remain life. He created the world out of nothing, even when the world was without form, void and covered with darkness, He still spoke and things happened. He can still use you to bring to pass great things in this world.. You may say, how is it possible, but listen to this word of Hope. The Lord will add life to you as a moisturizing cream gives life to a dry skin leaving it wet all day long. God is always faithful. Wait for Him for your blessings. You can regain back your lost glory. A step at a time in the will of God is better than many fast steps outside the will of God. May be that your problems is that your leading yourself instead of God leading you. When you are leading God is behind and He's off your life, but when He is leading you are behind and He is divinely directing you to your destination.**

**“..... I will never leave thee, nor forsake thee. So that you may boldly say, The Lord is my Helper, and I will not fear what man shall do unto me.”**

**Hebrews 13: 5 - 6**

**But the God of all grace, who hath called us unto his eternal glory by Christ Jesus, after that ye have suffered a while, make you perfect, establish, strengthen, settle you.**

**Peter 5: 10 - 11**

**God has promised to handle your problems Himself, they mean nothing to Him. What you called a problem may be a way of God's promotion to your life. The devil may have kept you under his captivity for a long time, but the due time for God to lift you up and let the world see His glory in your life has come. “He will never leave you nor forsake you” is the word of assurance before the ugly face of devil. Release your faith and receive this promise for yourself. Your**

**problem is but for a while, the Lord has promised to take over from you if you can cast it at his feet right now even as you are reading this book. You can kneel down now, or even stay where you are now to talk to the Almighty God for an intervention. The Holy Spirit is just by you to hear you whisper to Him: “help me” and He will do it right there. Believe, I say believe, He did it for others, He will also do the same for you. This is your own time of elevation. The Lord will miraculously perfect, strengthen and establish all that concerns you. He will surely settle you and you will have rest in your soul.**

### **A WATERING FROM ABOVE**

**In the valley of dry bones (Ezekiel 37) all the bones were dry and scattered. Even the man of God did not know what to do about them, but God told him to prophesy. You can prophesy through the word of God to that situation that has disappointed you and it will change for the better. If you are not convinced, perhaps due to your own little faith look for a genuine man of God around you now to speak to God concerning your problems. The problems may be as high as a mountain, but definitely not higher than the ‘MOST HIGH GOD’. God is the most high, higher than your problems.**

**Listen, no matter how dry the ground may be, when it rains it must be watered. Your business, academics, ministry, family life and other aspect of your life not mentioned here may be so dry that every hope for survival is lost but when the rain of God descends upon your state of hopelessness you will triumph with victory. May you have spiritual, financial and material rain fall in your life from now on in Jesus Name. Only believe and act in accordance with the word you are reading now. The judgment of God is falling upon those problems now, of course they are guilty to have come your way. You are a child of God, a child of destiny, a covenant child. I decree your deliverance in Jesus Name.**

**God is raising a new you. He will begin from working in the inside of you. If you are not born again, read the Salvation Guide behind the book and you will experience a change in your life immediately. Every odd impression you have concerning your life, throw it away, and forget about it, from now plunge yourself into God’s word for greatness. The throne of God will be opened wide for you as you seek Him. You can never fail, and no power of hell can stand where you stand as you begin to listen to what God’s Word says and do them accordingly:**

**“Looking unto Jesus the author and finisher of our**

faith; who for the joy that was set before him endured the cross, despising the shame, and the throne of God.”

#### Hebrews 12:2

Our Lord Jesus went through several problems because of our lives. He was despised and disgraced for us. He had a purpose and a focus, He despised every shame because the throne that God reserved for Him was His destination. He so focused His attention on the Throne that none of the problem He went through meant anything to Him. You must be ready, like our Lord Jesus along with other worthy people that have made it in life to brake up and confront all your hindrances. Stop everything that hinders your progress; any obstacle that stands in your way to divine freedom. You are more than a conqueror, but it doesn't just come that way, but you must fight it out to have it.

God can give life to that thing you think is already dead, believe the Lord and the end you think has come, will instead, become a new beginning of your greatness. Remove your mind from the past failures and damages in your life; reason with God through His Word and see how He will lift you up. Step one is just to say to yourself; “from today, I will become a success,” then you begin to work in strict obedience and compliance with His word carry out the remaining job.

#### ARISE AND SHINE

God bless you as you rise now and shine to the glory of the Lord your Father. Isaiah 60: 1 - 5. Some think because they lost a particular business contract that nothing good can come their way again. Beloved, the things you think will no more yield fruits will certainly produce bountiful harvests; the God we serve will never allow you to continually remain in tears. “Looking unto Jesus,” the Maker of heaven and earth is what every one must boldly declare. If the Lord is our shepherd, we must look unto him for a change. If He is our great physician, We must wait for Him to heal, and if He is the great provider, we must ask for His supply according to our needs if you call Him to be in-charge, He will do it all as you work with Him.

Our father is greater than any problem that may come our way. The devil is always interested in putting man into stress, making him believe quite erroneously that the Lord has abandoned him. Make your life easy by changing the way you think. If you make yourself vulnerable, the devil will take advantage of your weaknesses and engage you in vicious attacks. **STAND FIRM AND KNOW THAT NO HEAVENLY ENTHRONED PERSON CAN BE DETHRONED BY SATAN, OR ANYONE.**

### **Hear This!**

**A particular woman got married and as she started giving birth to children they all started dying one after the other. One of her surrounding enemies started saying “giving birth is not the matter, but can they live”? That enemy will always laugh and say you are wasting your time here, you cannot stay in this compound. She also used diabolical means to make sure that the woman had no child in that family. But this woman even as unbeliever who knew not God will always cry and tell God that I did no wrong to anyone and if I did anyone wrong to anyone may you avenge me on their behalf, but it not avenge me of my enemies. Guess what happened, it was wonderful. Hear the story in full. The devil was blown out of the ring on her behalf. Her enemy was hijacked, thrown out and disappointed. Today that woman has five male children that are doing perfectly fine in different endeavours of life. Thank God they are all children of God with their mother. God can do the same for you if you hold on Him firmly.**

## CHAPTER 2

### OVERCOMING DISAPPOINTMENTS

The only foundation that stands forever is that which is laid by God. Surely, whatsoever does God not plant must be uprooted. Heaven does not beg the devil to act. What you desire is what you will have if you ask for it according to the will of God. Are you disappointed? No! That is not disappointment, it is a way up. Sooner than you think, the God of Heaven and earth will wipe away your tears.

“Casting all your care upon him; for he careth for you.

Be sober, be vigilant; because your adversary the devil, as a roaring lion walketh about, seeking whom he may

devour: Whom resist steadfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world. But the God of all grace, who hath called us unto his eternal glory by Christ Jesus, after that ye have suffered a while, make you perfect, establish, strengthen, settle you. 1 Peter 5:7-10

There is only one winner in the physical and spirit realms and that is Jesus Christ. The devil has never won once, and can never win. Through this unique winner (the Lord Jesus Christ), we stand to win in every battle.

Disappointment is not a strange thing in life. It is a thing that many people dread so much, No one wants to be disappointed at all, yet it remains inevitable, a regular feature in the affairs of human life. Our attitude towards these disappointments determines their effect on our lives. How do you perceive your disappointment? Do you see your disappointments as the end of one's life? Not at all.

Can there be hope when disappointment sets in. Has anyone succeeded in this life after disappointment? Is there any way of escape? Question! Question!

The answer is very simply, yes! But it depends on you and your focus in life. “.....for he that cometh to God must believe he is, and that he is a rewarder of them that diligently seek him’ Heb.11:6 How do you reason when the supposed disappointment comes? Listen! Disappointment does not signify the end of one's life. There is hope no matter the nature of the disappointment many have succeeded and even excelled much higher they were before they were disappointed or encumbered with problems. Do not misunderstand God, He is ever closer to you than before. God will soon make you to stand again. Listen friend, you don't understand, God is shaping a

**new you. He wants to build a winner, a mighty winner out of you.**

**“ The steps of a good man are ordered by the Lord: and he delighteth in his way. Though he fall, he shall not be utterly cast down: for the Lord Upholdeth him with his hand.**

**Psalms 37:23-24**

**THAT’S NOT THE END**

**The devil has led many to believe that when disappointment takes place, the end of life has come. This is the reason why many have discouraged, many have killed themselves by plunging into the sea, others jumped onto moving vehicles to be killed, some hanged themselves, while others have taken poison to die. These unfortunate circumstances come about our of total ignorance of God’s tender care and loving kindness towards his people I know you are one of his people why then must you think of suicide when the devil has succeeded in waging war against someone leading to self destruction because that person is disappointed, he feels so happy because he knows he has gained that soul in hell. Beloved, you have greater and better things ahead of you to achieve. Remind yourself and the devil always that no matter what happens to you that God is alive . He knows you need new upliftment and He will exalt you exceedingly.**

**The thief cometh not, but to steal, and to kill and to destroy: I am come that they might have life, and that they might have it more abundantly.**

**John 10:10.**

**There is nothing good the devil can offer. He has deceived many people even some in the churches today are turning to him because they have no value for their soul. They value the think of the world more than God, and they have decided to become agents for the devil to destroy what they have helped to build.**

**Every problem is measured according to the way you see it, but the surest thing is that no problem is greater than the God you serve.**

**As long as we live on earth, there are times when problems come in and even serious ones that seem insoluble. Somebody’s new car is burnt, beyond repairs, a newly wedded man or woman dies suddenly, somebody’s house is completely burnt down with all is**

possessions inside, many people have suffered great loss of business through about mishaps or fire outbreaks in the market places. Beloved, many serious and unbearable incidents have happened in the lives of people like you incidents that would have led them to commit suicide out of frustration, but many of them survived the mental torture, the evil temptation to take their lives and today, are living witnesses God is faithful, he is always looking at us to know what to do in times of trouble. May be you are confused now, but your God is not confused, he knows what he is doing. Heaven will bring a great storm over that your problem, and will shake it loose from its foundation to ensure complete freedom for you in the name of Jesus.

**Do Not Die!**

God is behind all his children in times of trials and temptation. Whatsoever happens to them, he watches to see our reaction, to know if it will work out to his glory or not. God has never allowed his children to be broken into pieces, there is always a way to escape the traps of Satan. No matter how grievous it is, God is the rewarder of them that diligently seek him. Some -times the enemy comes in to attack, to disturb and to stop the good work already designed to glorify God. Just in time, God steps in to prove his power by raising up the fellow. The afflictions of the devil, failures and disappointment do not debar God from doing what he wishes to do it all depends on our focus in life based on our relationship with him. If we hold on tight to the Lord, we will become glorious. Even on your sick bed, you can come out of it with ease. Nothing has right to withhold the word of God from working for your good if you open your heart to receive it now.

Heaven is ready if you are ready trust in the Lord with all thine heart, and lean not into thine own understanding. In all ways acknowledge him, and he shall direct thy paths.

**Proverbs 3:5-6**

Delight thyself also in the Lord; and He shall give thee the desires of thine heart commit thy way unto the Lord; trust also in him; and he shall bring it to pass.

**Psalms 37:4-5.**

Nothing takes our heavenly father unawares, he knows every-thing before they come. To fall in any area of life is not the end of every thing, through one fails,

he shall not utterly be cast down. Even if are cast down, you shall not be broken into pieces. You must believe that everything that is scattered can be gathered together by God. No wonder the Lord even commanded Ezekiel to prophecy to dry bone and it came to pass they were given flesh and blood so they may live again. The important thing is to on trust the Lord until success is achieved. It must come and you will soon rejoice. God is the ultimate commander in our life. I command every obstacle in your life to bow now in the name of Jesus Christ.

Without battle, Jehovah is out in anger to destroy, stand still there is nothing like victory.

Every disappointment brings God's appointment. When think you have been disappointed, it means God has a new place to appoint you. Trusting in the lord for every thing in your life is the message of the present hour. Even as you reading this book, may be you are passing through a fiery trial in your life. Listen, the Lord is nearer to you than ever before. He will sustain you, he will deliver you, and he will set you free from that problem. Every problem is a starting point of miracle in life. When your way is blocked for any reason, it is for a breakthrough to appear to you. You should every thing through the eyes of faith, through the knowledge and wisdom as entrenched in the word of God. There is nothing like defeat for any child of God. Rather the battle will only be hotter than before for your victory to appear. That problem that stands like a mountain qualifies you for on equally mountainous breakthrough, open doors and miracles.

#### OPEN UP TO GOD NOW

For I know that my redeemer liveth, and that he shall stand at the latter day upon the earth: And through after my skin worms destroy this body, yet in my flesh shall I see God: Whom I shall see for myself, and mine eyes shall see for behold, and not anther: Though my reins be consumed within me.

Job 19:25-27

Take, my brethren, the prophets, who have spoken in the name of the Lord, or an example of suffering affliction, and of patience. Behold, we count them happy which endure. Ye have heard of the patience of Job, and have seen the end of the Lord; that the Lord is very pitiful, and of tender mercy.

James 5:10-11.

The prophets who worked for the Lord in the old time were tortured and humiliated; some were even

**imprisoned, but God fought for them. They endured and at the end they had their victories. You can learn a great lesson from them.**

**Job was a classic example of a person that had serious disappointment in life, he was beaten on every side of his life and family. His flesh was made rotten but he persevered in the Lord. His faith carried him throughout the time of his travails. He believed strongly that God was on his side, that no matter the tricks and gimmicks of the devil, he stood a better chance in the sight of God than the devil himself. Your problem is not different from his, God will deliver you no matter the weight and height of the problem, He has done it for others and he will do for you too.**

### **STAND ON HIS STRENGTH**

**The devil can be stopped if he sets out to accomplish a work, but God cannot be stopped. There is nothing to panic about when we are too sure that God is on our side fighting for us. The only battle you lose is when you begin to live either in secret or open sin, if not, nothing can stand to oppose you and wins.**

**God is our refuge and strength, a very present help in trouble. Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea; though the waters thereof roar and be troubled, though the mountains shake with the swelling thereof. There is a river, the streams whereof shall make glad the city of God, the holy place of the tabernacles of the Most High. God is in the midst of her; she shall not move: God shall help her, and that right early.**

**Psalms 46:1-5**

### **THE BEGINNING OF GREATNESS**

**A young man gathered all his money and bought goods like every other person to seek for fortune, and as he was traveling through the sea to Cameroon, unfortunately the waves become so turbulent that the boat capsized and all the people including their goods fell into the sea. Some managed to come out while others drowned concerning the goods; nothing was recovered at all one of the survivors realizing that**

**all his goods had sank into Theresa jumped back into the water and drowned the other survivors, through stranded at the river bank simply resigned their fate to God. One boy particular went back to Double where he lived and started buying goods on credit, and later got a store. Now, the store has grown so great, that he now imports goods from Overseas doing much better than before. Why die? There is still hope for survival. Man's extremity is God's opportunity.**

**When one door is closed, God opens other doors of greatness. I believe that God cannot allow us to be disappointed without appointing us into another greater things. The devil may want to close doors tighter that you may not be able to force it open, of but you are not to struggle with the devil, for he cannot change the plane of God for you. God is the opener of every door. The devil fights and gets tired and sneaks away. Shamelessly every door that closes opens at the appearance of Christ. The devil may bring affliction, but he cannot stop your promotion. God's purpose in your life is divine, it is unique, it is sure that nothing can stop it. One thing is that there may be many disappointments on your way, but God's deliverance comes in as many times as the afflictions or disappointments strike. Remember the devil is not tired; he is always convinced that he will pull you down one day. His work is such as failed one, he fights a lost battle, and he cannot win you. Will you accept such a defeat from such an idiot? He has a vision, and that is to stop you from being what God has purposed for you. If you accept, it will happen. If you say no, he cannot go beyond God's boundary line. God is our strength in time of trouble. He is our Protector, who is worthy to be praised. He is every thing to us. Psalm 18:1-3.**

**IT'S TIME TO RISE!**

.

**DO NOT KILL YOURSELF!**

**Various disappointments that some people went through and refused to live had been experienced by others who saw them as sacrifices or avenues of becoming greater than before. When you are with a serious disappointment aimed at jeopardizing your good intentions, set a standard for yourself, resolving that no ill-wind can blow you away. You can never realize what is embedded in you until you have fought in any battle and won. The more battles, you fight the stronger and brighter you become. The more experienced you are in these battles, the more victorious you become. As a man of God, as a leader,**

**I have gone through many temptations and trials that have taught me to look at problems as nothing. The devil will always want you to be running up and down, panicking and troubled. While others are panicking, I will simply see it as a normal way of life. One Pastor made a statement that has continually reinforced my determination to fight the devil. He said, "When the devil tries to tell you that your situation is so bad; that it has no solution, tell him that "Some-times things are like that", and that others have gone through similar situations and came out fine. This way the devil will leave you. The devil is a deceiver, he is just seeking whom he may devour, refuse him and do not allow him to devour you.**

**Miriam and other woman of Israel were singing and praying for their victory against Pharaoh's chariots at the Red sea when another problem struck them in the wilderness lack of water for three days, the only water found was bitter. But when they cried and shouted against Moses, he cried to God and He intervened,**

**Exodus 15:21-27. What do you think about it?**

#### **DYING BECAUSE OF PROBLEMS? NO WAY.**

**A trader decided to take his own life by jumping into a raging fire which entered his store during a major fire disaster. He perished alongside with his goods, leaving his family behind in distress. Other victims of the fire incident who had different approaches to the unfortunate circumstance started life all over again, and today they are much better than they were before the fire outbreak. We live in a world that is full of infringes are uncertainties A world that moved blessings and changing situation and circumstances. But God never changes. You may be going through tough times right now, but God is in charge of your life, God will rise to your salvation, He will rise to deliver you and you will glorify Him. Listen, God has never change, but it is your problem that will change. God is always on the throne; He will be there and dethrone your problem from its throne. Of course it is finished said our Lord Jesus Christ. You must learn how to laugh at your problems, despise them, and belittle them. The Lord is not far from you; if you act He will respond.**

## **HIGH FIRE VS LOW FIRE**

### **YOU CAN CHANGE, BUT HE CHANGETH NOT**

**There is a change coming your way. The only thing you must know is that it is only God that cannot change, but every other thing that has built a strong foundation against you must have to change. Stop crying, stop weeping, Jesus told the woman of Nain, the same message is for you today. Your resurrection is sure in Jesus Name. Luke 7:11-16.**

**One thing is to speak about faith, but another thing is to put it into practice. If you listen to God's word without acting on it, it will do you nothing. If Jesus was able to put smiles on the face of the woman of Nain He can do the same for you if you believe. Build a strong hold against them Kingdom of darkness, reject their plans, fight against them and your victory is assured. You are a winner, and not a loser, the head and not beneath in the Name of Jesus.**

## **CHAPTER 3**

### **DISAPPOINTMENT SATAN'S WEAPON TO STOP YOU**

**Disappointments are great instruments in the hands of the devil to stop whoever that allows him. He uses them plants seeds of fears and water them until they grow into doubts and unbelief. You may lose your job, your car, business or precious things which, as a matter of fact are painful experiences, but the Lord has a better plan at the end of every temptation.**

**My brethren count it all Joy when ye fall into diverse temptations: Knowing this, that the trying of your faith worketh patience. But let patience have her perfect work, they've may be perfect and entire, wanting nothing.**

**James 1:2-4.**

**The only person that can dictate your future is God; whatever He says is already established before we begin to apply them. We only rely on the already finished work of Christ. Nothing can oppose what God is doing without being crushed. A lot of people think they can fight the children of God, especially the financially handicapped ones, they threaten, cajole and jeer at them, but at the end you see those unbelievers falling like pack of cards. Job 20:5-16.**

**There are times of trials, a time the devil seems to be on top, but he is never on top. He is a liar; he only roars like a lion, he tries to show people what he is not. He wants people to believe that with him all things are possible, but through these deceptive tendencies, he has kept many in his prison. Beloved, no matter the problem you are facing now, count it all joy. The Lord will rise to show the devil that he has no place in your formation and making. The Lord will rise for deliverance; He will rise for your safety. The devil barks like a toothless bull-dog. Just like a wounded lion, limping about. Though the sight of it may be frightening, but the great lion dribbled. It can only roar but cannot devour anybody. Only believe.**

**Be faithful in the Lord and your full triumphing like ENOCH, NOAH, ABRAHAM will manifest. (Heb 11:1-9). You better stand your ground and confirm what Christ has done for you.**

**The devil is just trying to show his former glory before he failed, but God has taken away all those power and authority. Hebrew 2: 14-15.**

### **FIGHT AND WIN**

## **YOU ARE QUALIFIED FOR PROMOTION**

**Do you know that your problem qualifies you for a miracle? If the devil knows that the problem he is bringing to you will give you promotion, he would not have attempted to come near with it. If he knows that the disappointment he planned will bring to you a new appointment from heaven, he will withdraw. Listen, turn your stumbling blocks to stepping-stones, and turn the centre of your problem to a place of solution to others. Have you ever assured that a particular problem you are going through is for a new identify, that is God wants to bring out a new you. You must know that God is watching your attitude now to know what you will do.**

**You may have failed once in life, I have also failed once and even more, but these failures did not discourage me. Failures and disappointments are used by the devil as tools for discouragement. He only wants you to dwell in negative thoughts, to believe that God hates you and has nothing to do with you. Many have said, God killed my father, mother, aunt or cousin, for that reason I have nothing to do with God.**

**Why did he allow my loved ones to die, I will never worship him, but you are wrong. God did not nothing wrong. The devil killed your parents and relations.**

**You may begin to wonder, as unbelievers whether God traveled when Satan took advantage of his absence and killed your loved ones. Resist the devil and his plans. Turn to God for a perfect change; I know He will never forsake you.**

**The devil makes some people to be removed from office, and makes them believe that their Director, must have instigated the sack, he will tell them go and eliminate your Director, it is also possible for a director to plan such but you must know the devil is behind it. The devil is not tired of fighting against a child of God, he is ready to fight until you bow to him. One thing is sure, the more you fear him the more he presses you to the wall. You must be ready to stand firm and fight against the plans of the devil against your life. Except you take a strong stand against the devil, you may not know what to do in life. Listen, you may end up becoming nothing if you keep on believing that you can live at the mercy of the devil.**

## **SLEEP, WHILE HE WATCHES**

**“And we know that all things works together for good to them that love God, to them who are called according to his purpose.**

**Romans 8:28.**

**“Therefore being justified by faith, we have peace**

**with God through our Lord Jesus Christ! By whom also we have access by faith into this grace wherein we stand, and rejoice in hope of the glory of God. And not only so, but we glory in tribulations also: knowing that tribulation worketh patience; and patience, experience, and experience hope: And hope maketh not ashamed...**

**Romans 5: 1-5.**

**Whatsoever comes your way has a purpose to achieve in you, you must learn to discern and diagnose your problem and know why and where it emanates from. Nothing can give you success in life like standing firm in times of trouble. Every temptation, trial or tempest has an end, no problem is everlasting. When rain begins to fall, it's torrents are usually heavy, but after a while, it begins to subside gradually until everywhere becomes calm. You must realize that the devil is only working to stop you in life, he is not happy that you are doing fine or progressing in any area of endeavour. He is only out to cause havoc in people's life so that they will disbelieve God. He uses disappointments as his strong weapons to stop you. May be some one has disappointed you, even the most respected person or the person you trusted most, but all these things are to dissuade you from obeying God. When disappointments are wrongly handled, you will remain bitter all the days of your life. Some people do not even forgive themselves. Learn to forgive yourself after God has worked in your life. You can be free, happily free.**

**Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about seeking whom he may devour: Who resist steadfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world.**

**1Peter 5:8-9.**

## **REFUSE TO FALL WHERE OTHERS FAILED**

**If you are not vigilant, you will be able to identify the enemy's operational base. He uses the subtlest way to attack after all his disappointments. He presents a lot of dangerous options before you, of course things that will discourage and frustrate you in life. The devil always leads people to believe that there is no available means of coming out of their problems. He will give you instances of impossible situations, just to discourage you from making genuine efforts towards solving your problems. He makes you some times to believe that no one will love you again and that your image or reputations is tarnished every where so much that no one will even like to associate with you again. You have heard that**

**many have committed suicide because that was the only solution the devil offered them. The devil is always seeking whom to devour, but I know that is not your portion. Listen, no matter how you are ridiculed, and seen as nothing, the enemy is fighting against your soul, he wants to kick you out of the faith complete. Remember, for you to be exalted, you must be insulted.**

## **RISE BEYOND SATANIC ARROWS**

**..... I will never leave thee, nor forsake thee, so that we may boldly say, the lord is my helper, and I will not fear what man shall do unto me.**

**Hebrews 13:5-6.**

**We must know that he that promised not to leave us nor forsake us is God, not human. He has all the power, he has everything. He wants to prove to those around that he is our helper. Most of the time we only recognize God when we are in trouble and after that we go our way. Time has come for us to know that the devil is seeking a way to bring us to himself.**

**Your life is under the blood of Christ who protects you from every danger. Who then can take you away from his hands and destroy you? "God is not a man that should lie neither that son of man that he should repent: hath he said and shall he not do it or hath he spoken, and shall he not make it good"**

**Numbers 23:19.**

**He is divinely committed to his word; He knows our trust on him.**

**You can decide to change what you are doing to face another thing, sometimes we are so used to what is around us that God says change now and we no, but then he wants to promote us. He wants to elevate us. He wants to change our destiny. God is your father, surely, he thinks about you and you will ever succeed.**

**The places where others fail may be your gold mine. Your faith and commitment to God may likely change your future and put smiles on your face. You are forever destined to prosper; the devil can see the works of the enemy prosper in your life any longer in the Name of Jesus Christ.**

## **RESIST, I SAY RESIST**

## **CHAPTER 4**

### **GOD'S WEAPON OF UPLIFTMENT**

**For thus saith the Lord, that after seventy years be accomplished at Babylon I will visit you, and perform my good word toward you, in causing you to return to this place.**

**“For I know the thoughts that I think towards you, saith the Lord, thought of peace, and not of evil, to give you an expected end. Then shall ye call upon me, and ye shall go and pray unto me, and I will hearken unto you. And I will be found of you, saith the Lord: and I will turn away your captivity, and I will gather you from all the nations, and from all the places whither I have driven you, saith the Lord: and I will bring you again into the place whence I caused you to be carried away captive.**

**Jeremiah 29:10-14.**

**God was speaking to his children, the Israelites here.**

**He was giving them a word of comfort because of their afflictions which was caused by their sins. They were driven away from their nation in order to be purified for a holy living and after that the Lord will bring them back again. Watch your heart and see whether there is something wrong. You may have hidden things that may trouble you tomorrow. Think twice, think again.**

**Many of us have gotten many problems because of our sins, and many have disobeyed the lord because of their worldly desires, but one thing is very sure, God is always watching over His word to accomplish His promises and goodness in our lives. When He chastises us, He expects us to come back to him in full repentance. God's chastisement is a part of His work to keep us close to him. Immediately we begin to go astray from the Lord, many problems begin to come our way, and if we do not return to him, He is ready to create greater problems that will stop every thing we are doing. We have just seen the example in the life of the Israelites the chosen people of God. We are not different from them, God treats us the same way He treated them, the difference is that we are in the time of Grace, which is not a license to commit sin with impunity.**

**While God expects His children to come back, He makes bigger plans for success, as we have read from the above quotations. Always. The devil does not want us to appreciate the loving compassion of our heavenly Father; he directs our thoughts behold negative impressions about God, encouraging us to sink deeper in sin. God uses problems to bring us back to himself for greater fulfillment. He is an all wise God, He**

uses unusual circumstances to speak to His children.

### **ONLY GOD CAN DO IT RIGHT**

### **HE KNOWS IT ALL - HE CARES**

God wants us to know that he loves us, whatever comes our way is for our good and for a greater future. God knows before any thing happens, nothing takes him unawares. Any problem you overcome today will never try to come again since you know you must be victorious just like the previous time. There is no disappointment that comes our way without passing before the eyes of our God, He sees everything as the devil plans them, but he allows them to work out better things, they are for our promotion. When you understand God, you will begin to see Him in bad light if any problem comes your way.... God makes way for your victory today so that the same problem can present itself as a loser tomorrow. Find solutions to disappointments is never to stop your plan or withdraw from the things you are doing, but to step forward and fearlessly. Withdrawing when disappointment sets in means you are not mature enough to face the battle that brings positive results.

Do not think that what happened to you yesterday can stop God's intentions for today, whatever he says will happen, must happen. The afflictions of yesterday can never stop God's miracles for today. Learn to hinder your hindrances, and everything that opposes your life must be opposed. You can create an obstacle for any that comes as an obstacle in your life, God is behind you.

### **NO FEAR - NO PANIC**

You can still rise up through the same stone that made you to stumble. There are still open doors, breakthroughs, opportunities despite the disappointments, affliction and trouble posed against you. Do not allow fears to come in, if you do that, you have failed completely. Fear is an enemy of opportunities and future success. When you fear, it simply means you are saying no to success and breakthroughs.

If thou faint in the day of adversity, thy strength is small.

Proverbs 24:10.

**Be strong and of a good courage: for unto this people shalt thou divide for an inheritance the land, which I swore unto their fathers to give them. Only be thou strong and very courageous, that thou mayest observe to do according to all the law, which Moses my servant commanded thee; turn not from it to the right hand or to the left, that thou mayest prosper withersoever thou goest. Have not I commanded thee? Be strong and be good courage, be not afraid, neither be thou dismayed: for the Lord thy God is with thee Withersoever thou goest.**

**Joshua 1:6-7,9.**

**The Lord was encouraging Joshua not to be afraid because of the things that will happen on the way, of course there will be battles, but victory is always sure no matter how fierce it may be. Psalm 30:5,11-12.**

### **MAN'S REJECTION IS NOT GOD'S REJECTION**

**A company staff came to work one morning and found a letter terminating her appointment conspicuously displayed on the Notice Board. As she moved closer to the board, hot tears started rolling down her checks. Her colleagues consoled her and later advised her to see their Director who may decide to reconsider her for reinstatement. As a believer, she refused to see anybody, preferring to go to the supreme Director, the Most High God. Her prayer was simple and straight forward;**

**“Dear God, if it is your wish that I should continue with this company, let them recall me, if not, please provide for me an alternative job”.**  
**Within a short while, God answered her prayer and gave her a better employment -good salary, housing and other fringe benefits. Praise God”**

**Earlier, she may have taugt that she was disappointed, only to realize that God decided to appoint her. That could be your case, but the Lord is on the throne to intervene in your matter. May be God wants you to change your business, but you have not been careful to listen, then He stopped you in order for you to have a better business. Use every opportunity no matter how bad you think it is to work out good things for your life. Do not allow the devil to take upper hands, you may misunderstand God and run into trouble because you do not know that God is working out something better for you.**

**Psalm 118:22-24.**

## **JEHOVA-THE GREAT DELIVERER**

**The happenings around you may carry many tears with other things but they can never stop the planning's of Great Jehovah. You cannot lose in this battle; there is greater power behind you than they of theirs. 1 John 4:4.**

**If you decide to stop worshipping God because you have some problems, it means you came to God because of miracles, Isaiah 43:2. Beloved, God's decision over your life is final, ignore whatever is happening to you now and see what God is planning for you.**

**Blessed be God, even the father of our Lord Jesus Christ, the father of mercies and the God of all comfort. Who comforteth us in all our tribulation that we may be able to comfort them which are in any trouble, by the comfort wherewith we ourselves are comforted of God. For as the sufferings of Christ abound in us, so our consolation also aboundeth by Christ.**

**2 Cor. 1:3-5.**

**Sometimes one is suspended because of one thing or the other that the devil has planted in his life, then the devil tells him there is no more hope for him and that no one loves him. Such a person is disappointed in life and he feels there is no more way of escape and that the world has come to an end, but one thing is true about such people God is working out great blessing for them. The same is the case of those that are excommunicated. Some people have killed themselves because of such things, but I there is no need of dying in such case. There is still a way out. I am not encouraging sin here, what I am saying is that those souls belong to God, but the devil has decided to kill them completely and send them to hell. We can still bring them back to the Lord through compassion.**

**Gal.6:1-3.**

**Beloved, do not kill yourself, there are still better things ahead than the rough life you entered. All you need is to reject the devil, show God a true love by the way you now treat sin and the devil. God allows you to pass through that rough road so that you can come to a level land. When you go astray, God brings you back through roughness. He does not permit sin but when you are carried away He knows it, but He wants you back, that will not be easy since you have to pay for your disobedience.**

**And ye have forgotten the exhortation which speaketh unto you as children, My son, despise not thou the**

chastening of the Lord, nor faint when thou art rebuked of him: For whom the Lord loveth he chasteneth, scourgeth every son whom he receiveth. If ye endure chastening, God dealeth with you as with sons; for what son is he whom the father chasteneth not? But if ye be without chastisement, whereof all are partakers, then are ye bastards, and not sons. Furthermore we have had fathers of ours flesh which corrected us and we gave them reverence: shall we not much rather be in subjection unto the Father of spirits, and live? For they verily for a few days chastened us after their own pleasure, but he for our profit, that we might be partakers of his holiness. Now no chasteneing for the present seemeth to be joyous, but grievous, nevertheless afterward it yieldeth the peaceable fruit of righteousness unto them which are exercised thereby.

Hebrew 12:5-11.

### LIGHT INSPITE OF SURROUNDING DARKNESS

Many have gone to hell because there was nobody to encourage and bring them back to faith. Though God is dealing with them, but they still need human instruments to help them. There are many people we need to help in order to overcome all that the devil has pushed them in. you too may be carried away into one thing or the other, it could be any problem but you need people to tell you “ we love you.”

Some families have lost their children, some young couples have either lost a husband or wife, some people have lost their job in strange circumstance, some because of what happened to them lost their credibility, others lost their businesses, but these things should not be reasons for abandoning the faith or seeking for death. What happened to you can be an encouragement for some other people that may pass through the same way tomorrow. Someone may say, pastor you don't understand, I lost my only breadwinner and helper in life, he is all to me, what can I do now? But you must know that it is better to trust in the Lord than to put confidence either in man, kings and nobles. People who pass through a particular problem need to understand that God is still working on their behalf.

Unto the upright there ariseth light in the darkness

.....

Psalm 112:49.

Do you see the scripture above? It is for you. What you assume to be the end of life is indeed the

**beginning of a new era. The beginning of new hope for you. Prepare to begin your reign as a King: God is preparing a crown for you here before you get to heaven. Surely He will never allow you to be trampled upon.**

**We must show love to those that are passing through trials and many problems psalm 41:1-3. It may be our turn tomorrow. You may say God forbid! But listen, temptations and trials are not meant for a particular person. Sometimes they come to prove your faithfulness towards God. We must learn to pray for them ceaselessly and find time to meet with them with the word of God to speak personally with them, sometimes we may even go with someone to encourage them. We need to give out material things and money too, just to practically say, "I love you".**

**God is really waiting and expecting us to give hope to those that are passing through hard times in life, they need our prayers and greater assurances that their situation can be changed through the word we speak to them. They can do better as we begin to give them hope through the word of prayer. If we love the life of others and their future, we must give ourselves to seek their welfare, upliftment and survival in times of trouble.**

**Cast not away therefore your confidence which hath great recompence of reward. For ye have need of patience, that, after ye have done the will of God, ye might receive the promise.**

**(Hebrews 10:35-36).**

**The promises of God are established in heaven no matter the trouble that comes our way, we must hold on to them and also use them to lift up the feeble ones.**

**We must not allow the devil to have a total control over our brethren withstand the devil. Ezekiel 22:30.**

**Beloved, I know that there are problems that dries up our throat or even make us dumb, and it seems we are confused, but God is still in that trouble with us.**

**He will never leave us nor forsake us as we stand daily following him.**

**Many sisters and brothers have been disappointed by their wives or husbands to-be, and it was as if the end of the world has come, but at the Many sisters and brothers have been disappointed by their wives or husbands to-be, and it was as if the end of the world**

**has come, but at the end God has shown them why. Sometimes it is the devil that has come for destruction and many have allowed him to have his way and they continue to accuse one another because they have not taken time to seek the face of God to know why such has taken place. In all, God is still on the throne.**

**And we know that all things work together for good to them that love God, to them who are called according to his purpose.**

**(Romans 8:28).**

**Sometimes the sister is getting old and her attribute to God is becoming lukewarm. She needs counselling, the prayers of fellow brethren and also a close discussion with the Pastor or Shepherd. It has been proved that water spirits or witchcrafts have been responsible for such a backslide, and sometimes planned by mischief makers in the church. Someone may ask; what will such a sister do? Waiting upon the Lord is the answer. God is faithful; He has an appointed time for those who cry before him day and night.**

**Many a sister or brother has found a brother partner after such disappointment, because the Lord is the rewarder of them that diligently seek Him. Brother, sister, God has a better fellow for you. Today may be very dark but it will never stop God from releasing His glory.**

**The things that have happened to you yesterday can never stop God's miracles for today. The devil may have touched or fought against your yesterday, but today is in the hand of the Lord to prosper you. The bad feelings of the past failures can stop you from looking afresh to see new things to achieve. God's determined purpose and plans cannot be stopped by the devil. Listen, Esther became a Queen in a land of captivity. She was brought up by her Uncle when she lost her parents. An orphan becoming a Queen. She may have cried so much when the parents died, thinking the end had come, but she became a Queen. Smith Wigglesworth came out of a very poor family that could not feed themselves but he trusted the Lord from childhood and he became the greatest preacher of his time. Though not educated, and could not speak very well, he refused to be crushed by those impediments and the Lord used him wonderfully**

## **CHAPTER 5**

### **DISAPPOINTMENT: A WAY UP**

**Nothing has the right to stop you from being what God has in mind for you, I nothing, absolutely nothing. When problems come our way to stop us, God still have some better ideas that can still keep us alive in him.**

**We can't really succeed in life if we keep on thinking of what has happened to us in the past. We can reflect to them to know the areas we much not attempt again, but not to keep on thinking on them to stop us from going forward for new things ahead of us.**

**Man that is born of a woman is of few days, and full of trouble. He cometh forth like a flower, and is cut down: He fleeth also as a shadow, and continueth not.**

**Oh that thou wouldest keep me in the grave, that thou wouldest keep me secret, until thy wrath be past, that wouldest appoint me a set time, and remember me! If a man die, shall he live again? All the days of my appointed time will I wait, till my change come. Thou shalt call, and I will answer thee: thou wilt have a desire to the work of thine hands.**

**Job 14: 1-2, 13-15.**

### **DELIVERANCE IN TIMES OF DISASTER**

**This is a clear statement from Job who went through temptations. He suffered to the extent that people thought he would denounce God, but he continued until God visited him. No one can claim not to have experienced crises in his life. May be it did not come to you directly, but it has happened to your loved one that would have been of great help to you. It is the same thing, when people around you suffer it also affects you. Nevertheless, many of us have gone through series of troubles in life as the scripture has said, "Man that is born of a woman is of few days, and full of trouble". Job believed that there is always a time of remembrance in the sight of God, problems don't continue all the days of our life. When we are in trouble, groaning, God is preparing us to be great in life, he is making something better out of our lives. He can never fail us.**

**There are times when it seems that one is not in existence, living in the grave, dead, without hope, forgotten by people, but the time of change comes when people will say we never know that this person also will be great. May be your life for now is really working contrary to what you believe, God is working out a change for your great future. May the God that changes all impossibilities hear your voice in the**

**Name of Jesus.**

**I have never believed that I will never succeed in life. There are times when it seems that one is in the grave, in darkness and in deep trouble, hidden without recognition; It has happened to me several times, but in all there was deliverance from God. One thing is that I have always believed that God will never leave me without His divine elevation in this world. I can never die without people noticing my existence and departure in this world. Wait until your time of change comes from the presence of God the Father.**

**And when neither sun nor stars in many days appeared, and no small tempest lay on us, all hope that we should be saved was taken away. But after long abstinence Paul stood forth in the midst of them, and said Sirs, ye should have hearken unto me, and have loosed from Crete, and to have gained this harm and loss. And now I exhort you to be of good cheer: for there shall be not loss of any man's life among you, but of the ship. For there stood by me this night the angel of God, whose I am, and whom I serve, Saying, Fear not, Paul; thou must be brought before Ceasar: and, lo, God hath given thee all them that sail with thee. Wherefore, Sirs, be of good cheer: for I believe God, that it shall be even as it was told me.**

**Acts. 27:20-25**

## **GOD IS STILL ON THE THRONE**

**Have you been in a situation where every body around you is against you, no advocate and no one at all on your side; it has happened to many, it has also happened to me as a pastor several times. That is a dark hour in the life of a man, a time you can that you are finished, yet life is springing up in a great and wonderful way. A time that all fingers are being pointed against you, are being called all kinds of names and people around see you like a foot mat, it is not an easy time, but God uses such a time to work out great thing to his owe glory.**

**Paul's words were looked down because he was a prisoner and no prisoner has right of his owe to do what he will. Here, he was a man who did nothing bad yet because of the kingdom of God he was taken captive, may be you are right now found in the same situation, but God will give you deliverance. He advised the people that were taking him captive, but they refused to listen, and it brought them to a great danger, nevertheless Gods sent an angel to speak to the same person they rejected. He gave them hope, he told them to be of good cheers, though they are in**

jeopardy, but he was very sure of God's deliverance and protection. For many days there was neither sun nor stars, darkness filled everywhere but God intervened. Sometimes it is like that, a time of hopelessness, time of discouragement, time of despair, but in all these times God is on the throne.

When you speak of the power of his resurrection, remember the fellowship of Christ suffering which led to his death. This is hard to understand, but it's an experience we will never overlook. There was death before resurrection power. Phil. 3:10

If the past was filled with problems, it does not mean all the days of your life will be filled with darkness. The past is gone and the future must be entered with the spirit of expectation. You must believe that there will be a divine visitation. God is still in the business of performing miracles.

The miracles of God for his children are always available; God can use you to deliver thousands of people. Your life can be an encouragement to those to live longer than they ought to live. Stress, depression and over thinking can destroy one's life. Paul was not carried away by what was happening, God has spoken to him and he is assured of the word of his father. He knows that promotion comes after examination, though examination makes the heart sick, but joy comes on the day of promotion. I have looked up to someone to help, I will just burst instead he gave a lot of excuses, then the Lord will tell me, can you turn to me now for that give me specific direction on what to do and the problem will be over. Psalm 118: 8-9. When men disappoint you, look up to the living God. He will never fail you.

But now thus saith the Lord that created thee, o Jacob, and he that formed thee, o Israel, fear not: for I have redeemed thee, I have called thee by thy name: thou art mine. When thou passest through the waters I will be with thee; and through the rivers, they shall not overflow thee: when thou walkest through the fire, thou shalt not be burned: neither shall the flame kindle upon thee.

Isaiah 43:1-2.

**YOUR NAME IS ON GOD'S MIRACLE LIST**

**To upset yourself when God is by you fighting is to limit the power of your maker. God has fought many battles for me and I see myself laughing again. Many of the people that get saved in times of trouble are people who do not struggle in fear. The people in the ship that was carrying Paul were struggling to run away, and they were informed that if they escape from the ship they will die. God was in the ship, even if it breaks, God was still in control of the lives of the people because he has that through his servant, Acts. 27:27-32.**

**God is ready to give you any kind of protection, on matter where both in the air, in the sea and on the land. God is saved the three Hebrews children in the fire, He entered into the fire with them to keep them safe from harm. Daniel 3:19-30. After the children were tried by fire, they came out and were promoted in the Kingdom.**

**The arrows of the wicked aimed at you will turn back to the sender for vengeance. Your own is to rest and see your God fight for you, the same people that sang praise as at your down fall will come to the rising of your second promotion. Enlarge your coast and receive them that thought you are dead. Give them to eat. Sure they will come back to you.**

**Sure we know that those who no not care about faith have nothing to fight for the impossible to happen in their lives. They look for cheap things to take place, they remain in the natural every day, they have nothing with the supernatural. Of course, you cannot go beyond what you faith can carry for you. Do you fear troubles, do you fear problems, they may be of any kind, then you can never have faith enough to walk in life. Without faith it is impossible to please God. Hebrews 11:6. You must then have faith, speak faith and live faith . May the lord help you in Jesus Name. Paul was exhorting the people in the same ship to eat food; they have stayed for many days without food, complete fourteen days. They were afraid, but Paul was not afraid, he encourages them to eat food. Acts. 27:33-36. Beloved, do not think that the end of the world has come to you, that problem you have now will make a way for great things of God to come your way. Handle your matter with courage and allow God to take over, ‘Casting all your cares upon him for he careth for you’ 1 peter5:7. That problem is for a while,**

soon your Laughter will appear like the sunshine, and everyone around will then know that you have a living God who can never disappoint in time of trouble.

### **CLING STILL ON HIM**

**He shall call upon me and I answer him; I will deliver him, and honour him.**

**Psalm 91:15.**

**And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me.**

**Psalm 50:15.**

**Call unto me, and I will answer thee, and shew thee great and mighty things, which thou knowest not.**

**Jer. 33:3.**

**Do you need great things from God whereas it seems you are not heading anywhere? Watch out, the time you thought wasted are moment of grooming. The next thing you will hear is that your divine connection is come cling still on him, believe and you will see the glory of God.**

**A young lady came to my office once with tuberculoses, and the devil wanted to stop me from ministering to her, but God gave me courage and after praying for her, she was asked to go for a test and she was found whole, she told the doctor this is a prayer, and the doctor said it is only miracle that can heal that way. All we need to do is call on him that has all the power to do all things. The Almighty God, He controls all the power of the universe.**

**Psalm 30:5, 11-12**

**God did not say come and help me, He says come and be delivered from your problem. Call on me, at any time and hour you will be free. What a wonderful father we have who has compassion to help us out in times of trouble. God stands wherever you stand except you begin to go astray from what he has commanded us to do.**

**You have heard that without battle there is no victory, and God will never allow that one that is greater than you come your way. He makes way of escape.**

**There hath no temptation taken you but such as is**

**common to man: But God is faithful, who will not suffer you to be tempted above what ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it.**

**1 Cor. 10:13.**

**Jesus has rightly said that without Him we can do nothing in this life. He is the power behind everything we do, He support us in our steps so as to make good end. He knows what we can bear, and he knows those things that can take us out of faith. He will never allow us to be tempted above measure, the devil is under His control, He can stop him from all his plans against us when he wills. He knows all the road to suffering and how to come out of them, He is our maker and God. Every problem that comes your way makes you more stronger than before, it also release the power of God that is in you to be more active than what it use to be.**

**If you want to be an achiever in this world, you must be ready to go through all kinds of oppositions, hindrances, attacks, false accusations, both from those around you and people from afar. Men will revile you, they will speak all kinds of evil against you to mar your image. Many people have been victims of things like this several times, and they decided to throw in the towel, discouraged and discontinued in their vision. Is that vision or business from God, pick it up and continue, God is in control. Some close associates have spoken all kinds of evil to mar the image of those that are trusted or cherished by their leaders because they want to be on top, of course they can be on top without destroying their fellow human being through evil speaking, but this is the manipulations of the devil in the church today. It also happens in business circles where people fight others to be on top, you know that is building on the sand, sinking sand, why you encounter such thing, forgiveness is the command of our Lord if you need your open door in life.**

**Christ spent His time preparing Judas to be a miracle worker, but Judas spent his time looking for Christ's death and destruction. He sold the son of God, yet today Christ is on the throne of his Father, sitting at the right hand, but Judas is in hell fire languishing for eternity. His evil for Christ was turned for His own good and enthronement. May be you have been sold for nothing, or already you are passing through a terrible experience, God is about rescuing you for your greatness to come. May be you have tried much to be free from that situation and all was found abortive, yet God's plan for you cannot be aborted, no matter how your enemies try to harness themselves and increase your furnace to burn you down but remember, without tears there will be no testimony. A pastor**

took poison and died, declaring that his wife and some church members contributed to his death. I know God spoke to him and he rejected the voice of God. Sure God is not interested in such abominable death. I am not judging him but you must not take away your life that is suicide. Such people will not inherit the Kingdom of God. There is always a solution from God, and if solution tarries to come, wait for it. God will surely see you through in every situation of life. Miracles have never ceased to happen, if God has done it for another person He will also do it for you. It is not time to die, but it is time to reach forth into greater heights of life.

Your tears will soon be changes into great joy of triumph. It happened to Joseph but his brethren later served him, those that hate you will soon hail your greatness or if not they will see others hailing you, they will join in hypocrisy. If any one have laughed you, He will still look on you on the throne prepared by Christ for your majesty and greatness in this world before the real kingdom of Christ come. Your enemies will do on serve you in the name of Jesus Christ.

A young man decided to kill him self by jumping into River Benue because of much problems, something from the inside told him that he should look around the world before jumping in, the same thing repeated again three times, and after that he heard a voice that said, "do not jump in." That was the voice of God, from that day he changed. For him he has come to the end of life, but God told him this is just the beginning of life. He is today a preacher going everywhere leading souls into the kingdom of God. May be the whole world is now against you and problem has come to your neck and you feel like dying, do not die your miracle is not far from you. I command your miracle to come fourth and reach you in the name of Jesus Christ. I destroy anything that has stopped your miracle all this while in the name of Jesus Christ.

Do not forget that the life in you is the seed for other people's divine upliftment through you. Overcome and make way for others. Many are depending on you. You may be the light your village, community or even your state is waiting for one day.

The light will soon appear and you will shine for many to see. Only do not allow any sin to stand on your way, because the sin you do not stop will soon stop you from becoming what God has desired for you. Isa.

**60:1-5.**

**Look right deep into your spirit, that life you have will not die until you triumph for the world to know your existence. Your passage In this universe must be recognized in Jesus name.**

**Once I was travelling back to my village from Onitsha where I was living, during that time I have never known the Lord. As we started off the journey, on the way thieves entered in to the vehicle with gun and unknown to the driver as we stopped to pick another person they put the gun inside a pigeon hole. After some movement we were stopped by the police and the first place they opened was the place where the gun was, all of us were arrested. Though I never knew God, but God intervened on my behalf.**

**Those thieves told the police to leave us it go that we were not a part of them . The police left the driver with us to go. This was nothing but the miracle of God. He Knows that one day I am going to be his servant, he was guiding me in all my ways. His protection was upon my life though I never knew it. I was panicking, for me there was no hope of escape knowing the nation where we belong. But God came down to prove that he can deliver any one. Though after that I refuse to give myself to God, but finally He caught me in His mercy. Today, when I remember all He has done for me, I am filled with joy. Had those thieves ever said we were in company with them, it could have created havoc and disaster. Even if we are to be left after imprisonment, our name would have gone through the Newspapers. Maybe you are accused falsely over a matter, the Lord will never leave you, you may ask what of my name that has been spoiled? Mine too has been spoiled in some other ways but I am still alive. Heaven has a better thing for you than what the world gives. May the Lord help you to understand this in the Name of Jesus Christ. Hand it over to the Lord, He will never look down on you.**
