## INTRODUCTION

There are many things in the world, but you must know the one you are looking for. The evil power which belongs to Satan or the good one which originate from God. The power of God uses men to the edification of the body of Christ and to deliver the world from their trouble, but that of the devil destroys and finally sends one to a place of torment, a place of utter destruction.

***“Behold, I give to you the power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any mean hurt you”.***  
***Luke 10:19***

You cannot distinguish the power of God through His Word. You cannot also crush the power of Satan unless you are empowered from above. Many people are confused of the one that is the real power, it is because they are far from the word of God. Ofcourse one must be born again to acquire anything called the Power of God. John 3:3. When you are not rooted in the word of God you will be rooted in the world. It is only the knowledge of God’s word that can educate you on the real power to follow in life.

***“God has spoken once; twice have I heard this, that power belongs to God”*** ***Psalm 62:11***

Any power that is not submissive to the word of God is diabolic and destructive. Power belongs to our God the Maker of heaven and earth. You can operate in the power of God, that is what works in you, allow the Holy spirit to express

Himself through you and you will see that you have the power too.

***“Trust in Him at all times; you people, pour out your heart before Him: God is a refuge for us”.***  
***Psalm 62:8***

We must trust God for every need in our lives. He has the power to changed hard situations and to make people great. He gives power to become your desire according to God’s glory. If you want He will make you to be person of your choice, the person of honour and reputation. They that trust in Him for supply have never been put to shame. Let the power of God work through you today. Allow Him to use you to benefit the world. Jesus Christ is Lord.

This power we are talking about here is that of the Holy Ghost. I believe that the body of Christ know not any other power than this, if you have the power, the devil can stop another person not you. As Jesus was manifested to destroy the works of the devil that is how you are manifested to destroy the remaining works of the devil.

..... All power is given unto me in heaven and in earth, Matt.28:18. Seek this power and have it to the glory of God the Father.

## CHAPTER 1

### WHO IS THIS ENEMY WE FEAR?

Isaiah 14:12-15

***“Your heart was lifted up because of your beauty, you have corrupted your wisdom by reason of your brightness: I will cast you to the ground, I will lay you before kings, that they may behold you”. Ezekiel 28:17-19***

Here is that enemy we fear, but he is woefully defeated. He was a Godly angel but he failed by reason of pride and iniquity. Now he opposes God and all that worship Him. He was formerly called Lucifer “Son of the morning”, but now he is known as “the great dragon, that old serpent, the devil, and Satan. All these names are because of his evil. He was cast out of heaven into the earth with his angels.

***“And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceives the whole world: he was cast into the earth, and his angels were cast out with him”. Rev.12:9***

What makes someone an enemy of a person? It is when one is fighting against somebody, his relations or acquaintances either secretly or publicly, then the person seeks a way of protection or vengeance. At that time enmity is declared which sometimes results to war. Since Lucifer now the devil failed from his former state, he has never

ceased to fight against our God. The enemy of our God must be our enemy and we must seek ways to terminate his activities in our lives and around us. You can never know to fight against your opposer or enemy until you know him and his strategies of fight.

**THE DEVIL HAS LOST ALL POWER  
EXCEPT THE ONE YOU GIVE HIM TO WORK**

The devil fights against the business of children of God, he fights against families, creating problems between husbands and wives, bring disobedience in the children in the home. He goes as far as creating troubles in the body of Christ. The devil is the original enemy of man. Most of the time we say that our flesh is our No.1 enemy, it may be true in your own perspective, but I know that it was the devil that made man to fall and began to walk in the flesh. Listen, I am not saying that you must not fight against work of the flesh, Col.3:5-9, Gal.5:19-21, but remember it is the devil that makes people to walk in the flesh and unholiness. You must refuse to bow to the devils instructions and wishes. You can do away with him. I am not exalting the devil nor the flesh, but we must know that the devil is the author of all confusion and evil in the world. Today if we allow him, he can use our flesh to fight against us. He is ready to confuse you and lead you to any kind of life. Kick him out of your life.

He wanted to be like God and wanted to take the place of God which he cannot do and then a sentence of judgement was passed on him which he will suffer for eternity. He knows he is finished that is why he is fighting to see the men of the

world fall into the pit of hell fire with him on the last day. He told Jesus to bow and worship him to have all the riches in the world that is created by Jesus Himself, he is a liar and can never stop to lie, that is why he is deceiving the people of the world through riches and powers today. He pushes people to live contrary to the word of God and try to bring heart break to our God, Romans 1:18-32. His heart was lifted up in him and that is pride and arrogance which he has given to the world today to reject God their Maker, but thank God that as many of us that have Jesus today have eternal life in Him. The devil is too small to make me believe that the salvation I have in Christ is not important, you can believe the same today, Amen.

***And the devil that deceived them was cast into a lake of fire and brimstone, where the beast and the false prophet are, and shall be tormented day and night for ever and ever”.***

***Rev.20:10***

The devil deceives the world to believe in him, though he torments them with sicknesses and diseases, they still run after him. He gives them worldly wealth and takes away their lives, yet they follow him in such destructive way. The devil knows that very soon he will be cast into hell fire and he is working round the clock to get the people that will be there with him. This enemy of man torments and imprisons people and still make them to believe that it is God that is suffering them.

**LISTEN!  
IF THE DEVIL DID SUCCEED IN DECEIVING YOU, NO  
OTHER POWER CAN DO IT PERFECTLY.**

### **THE WORKS OF THE DEVIL PUT TO SHAME**

***“And behold there was a woman which had a spirit of infirmity eighteen years, and was bowed together, and could in no wise lift up herself. And when Jesus saw her, He called her to Him, and said to her, woman you are loosed from your infirmity. And He laid His hands on her and immediately she was made straight, and glorified God. And the ruler of the synagogue answered with indignation, because that Jesus had healed on the sabbath day. The Lord then answered him and said, you hypocrite, do not each one of you on the sabbath loose his ox or his ass from the stall, and lead him away to watering? And ought not htis woman, being a daughter of Abraham, whom Satan has bound, lo, these eighteen years, be loosed from this bond on the sabbath day? Luke 13:11-16***

***“And when Jesus was entered into Capernaum, there came to Him a centurion, beseeching Him. And saying Lord, my servant lies at home sick of the palsy, grievously tormented. And Jesus says to him, I will come and heal him”. Matthew 8:5-7***

The devil has nothing good to offer to the world but he promises them that he has all that they need. The woman that was bound for eighteen years was the works of the devil, he does not open the house of his prisoners, Isaiah 14:17. Jesus was going about doing good to people by liberating them from the works and bondage of the devil. His works are evil, he is the enemy of God and man in all area of life.

***“How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; for God was with Him  
Acts 10:38***

There was a small boy that was once brought to my office lame, though not by the parents but their neighbour, his legs were twisted and he can in no way to stand up by the reasoning of man, though at the first sight I felt some how within me, but the Lord encourage me to pray for him. I did anointed him with oil and they took him back, and they brought him again for prayers, the Lord healed him perfectly. He walks now very well as a person that has never suffered from lameness from birth, because it was from birth that the problem started.

**THAT WHICH IS IMPOSSIBLE TO YOU, TURN IT TO  
CHRIST TO REMOVE THE I.M. WHICH MAKES IT  
IMPOSSIBLE**

Jesus was undoing the works of the devil. He was manifested to do that, to put the devil into shame. This young boy would have been lame forever if Jesus did not heal him in our office or through another child of God. The devil is out to bring confusion and disorderliness in the world, disfiguring people and bringing heart breaks to them. I command your eyes to be open to the power that dwells in you in Jesus Name.

***“And when He had called to Him His twelve disciples, He gave them power against unclean spirits, to cast them out, and to heal all manner of sickness and all manner of disease.***

***Matt.10:1***

On 31<sup>st</sup> December 1993, we were having our end of year service in one of our assemblies in Bonaberi Douala-Cameroon which we usually called a “PASS-OVER NIGHT”, we call it that way because we are passing from the old year to the new one. When the service started, I saw some people carrying in one old woman, speechless and properly battered by the devil, she was like a skeleton, the two legs and hands were like little sticks and she was kept at one corner of the church. Many of the people that brought her were unbelievers except her daughter who comes to our church sometimes but not a full member. She has seen a lot of miracles as she visits our office for counseling and deliverance. They were all looking at us to know what we were going to do. I was very busy praising and worshiping the Lord, my heart was not even on thinking about her. When the time reaches for the Lord to glorify Himself, she was brought out, and after some disgrace against the devil, words of faith were pronounced and hands

were laid on her, she stood up and started walking and even started running around the church that night. Everybody was full of joy, people were screaming and other children that were not born again were amazed with fear and stood speechless. They know she has been lying in sickbed for some years, and they have tried all things but failed. We started praising the Lord and the woman started clapping her hands, jumping and dancing in the church. It was wonderful and great, it was a great sight to see, the Lord destroyed the works of the devil. The people that brought her gave their lives to Christ and the Name of the Lord was highly exalted,  
Acts 3:1-26

**BELIEVE THIS!  
GOD CAN NOT STOPPED TO WORK WHERE MAN HAS  
STOPPED TO WORK**

Jesus says, cast out all unclean spirits, heal all manner of sickness and disease, show the devil his works can never stand where my Name is mentioned. Beloved, the devil must be placed where he belongs, he decided to be enemy of God and man, he must be treated constantly as an enemy. You can stand your ground overcoming the works of the devil. Stop him in your home, business, and in any area you see him operate. Today you are free from Satan's holds in Jesus Name.

**HE LOST THE BATTLE**

***“REV.12:7-12***

When the devil rebelled against God with his angels, God did not fight against the devil himself, He is too big for that; rather the angels of God that are still obedient fought against the devil and his angels got them out of heaven. His sin of disobedience disqualified him from having a place in heaven. He that commits sin can never prosper and the devil could prosper not either since he is the author of sin.

**THE SIN YOU COVER IN YOUR LIFE WILL COVER YOUR  
FUTURE FROM PROGRESSING.**

The angels of the Lord fought against him and thrown him out of heaven into the earth and he came down with anger to afflict all the creatures of God...Woe to the inhabitants of the earth and of the sea! For the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time. He was angry because he was defeated and thrown out of heaven with his angels. Today the inhabitants of the earth and the sea are suffering because of the devil sends his demons to go and works destruction in every corner of the world and even in the sea.

**ANY BATTLE LOST CANNOT BE WON AGAIN EXCEPT A  
NEW ONE COMES AND YOU FIGHT AND WINS**

He sends his demons today to be worshiped instead of the creator Himself, Romans 1:8-25. The devil and his demons today make wives to rebel against husbands, looking for other men and even some times plans to kill their husbands, just to have the material things of the family; Husbands likewise have their wives and look for other women and sometimes put other women in other places that their

original wives will not know. The devil came down with great wrath against the people living in the world. People today worship snakes, tortoise, elephants, lions and many other animals as their gods. The devil divided his angels to work in the world to achieve his goal.

***“Put on the whole armor of God, that you may be able to stand against the wiles of the devil. For we wrestle not against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places”. Ephesians 6:11-12***

The devil organized his angels in such a way that every Nation has a prince and other demons working with him. All the cities, urbans, communities and villages has a chief demon and other ones working to pull it down. The devil is only out to make sure that all that God has made is turned upside down, but thank God he is too small to do such.

**IF YOU CANNOT TURN THE WORKS OF THE DEVIL UPSIDE DOWN, HE WILL THEN TURN TO DESTROY YOU**

When you hear of strong wishes in different areas of the world, they are working for the devil. Today there are many religious groups that are deceiving people around the world making them believe that they are worshipping the real God. They use all kinds of spirits to operate and bring news from the under world. The devil and his angels are the enemy of our God and our own enemy too. Our battle today must be against him and all his co-horts and not against our brothers and sisters in the Lord or even the non Christians outside the

faith we profess. I ask the Lord to visit you today, so you know that the devil is under your feet and control. Amen

***“And He said, I beheld Satan as lightning fall from heaven. Behold, I give to you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you. Luke 10:18-19***

We must not fear this enemy, the false accuser of brethren. He has been defeated once and for all. All we need to be doing every day is to remind him that he is fallen and has no more power again to operate against us. You have the power and I have the power, what you fear controls your mind and your whole being. He is no more what you think he is.

There was a king in the city where the Lord sent me to do missionary work. Many people fear to enter his house excepts his friends, close relations and party members. He once entered into the sea and comes out without water on his body, and through diabolical means he once walked on the sea, all this was to show people how great he is and that he has power over the nature.

One day, I saw a young man come into my house and told me that my attention is needed urgently at the house of that king. I was very happy because I have been desiring the day I will enter that house though looking at it from outside, it is very fearful. I prayed and we set out to the kings house, and when I entered, I felt the presence of demons and I just prayed and rebuked the demons and their activity seized immediately. We waited down until we were called to see the king upstairs. We met and started talking. The Lord gave me boldness and courage to speak with all authority, I felt an unusual anointing and I started speaking. At the end, the man

decided to give his life to Christ, and I led him to confess and I laid hands on him and prayed for him. I anointed him with oil and spoke the word against the powers against his life and they obeyed.

He led me into all his chambers, each of the door is having the inscription of the Pharaoh's of Egypt, and by his descendants as written on a marble they are from Egypt. I felt that day, and people were asking me what have you gone to do in that house, I told them and they said to me that I am tempting God., but I know I was not doing so. God has all the power in the world and nothing can harm his servants who served Him with all their hearts. Beloved that environment is spiritually polluted, but the Lord gave me victory, he even gave a part of his house for prayers before he died, though it was not used before he died, but the Lord manifested his power. Despite all the powers he manifested to show how great he was and under the powers be manifested to show his houses . Beloved, the devil has no power and there is nothing to be feared about him. The Lord is in control of the lives of his children, whether awake or asleep. Beloved, Satan is under your feet, fear not for any reason in this life. He has fallen! He will continue to fall for your sake till he finally be in hell.

## CHAPTER 2

### FEAR HIM NO MORE

Since I became a Christian, I mean since I gave my life to Christ as my Lord and My Personal Saviour, fear departed from my life. I used to be much afraid, little things make me to fear and it continues until when I became free. The devil was harassing me seriously through the spirit of fear and since I know that Christ has defeated him for us, I never remained the same.

#### ***Colossians 2:15***

***“For as much then as the children are partakers of flesh and blood, He also Himself likewise took part of the same; that through death He might destroy him that had the power of death, that is, the devil. And deliver them who through fear of death were all their lifetime subject to bondage”. Heb. 2:14-15***

The devil uses fear as one of his first agents to defeat the children of God. He suggests a lot of things and later he makes you believe that you have no help in that problem and finally he will use that occasion to finish you up. Fear is of the

devil. Really we have natural fear , the fear of God and the devil's oriented fear. The natural fear makes someone not to put his hand inside the fire or to drive recklessly his vehicle. While crossing a bridge that is very narrow, you do it carefully because of natural fear, so that you may not fall inside it. Of course if you don't do it carefully, you will fall in. The fear of God makes people live after God in holiness and righteousness, Fearing to do evil leads to a holy life. But the fear of the devil is the one that he makes people to fear, even when there is nothing to fear. Some people fear darkness, when the electricity is taken away. Other people fear to stay in their houses alone, they feel someone is coming to kill them or that devil is coming to swallow them up. We were also told many stories during our child hood that puts fear into our hearts too.

Jesus destroyed anything that is called fear that can disturb a child of God. Fear not is the message of our hour. The power of our Most High God is in control of every of his children, and the devil can never pluck us out of His hands.

***“How God anointed Jesus of Nazareth with the Holy Ghost and with power: who went about doing good, and healing all that were oppressed of the devil; for God was with Him  
Acts 10:38***

***“And when He had called to Him His twelve disciples, He gave them power against unclean spirits, to cast them out, and to heal all manner of sickness and all manner of disease.  
Matt.10:1***

One lady was once brought to my office one early morning, she was living with her grandmother. She was mad, and when the madness started, they rushed her to different witch doctors and they tried all they could, instead the situation got worse, the family people began to suggest one thing to the other and their plans failed them and finally they decided that the father should then take her to where ever he wants mocking him. She was brought to my office and after interview with the parents, immediately I ministered to her. The demons were cast out with all authority and today she is perfectly whole. The sight of the problem was such a fearful one that one can run away, but I always remember one thing when ministering to people, what would have Jesus done to this matter. What would have been his behaviour and reaction. After thinking all these things, then I will proceed to do the work of Him that sent me. We have seen such things yet many do not believe it is the power of God, because they have not known the Christ that works miracles.

The devil oppresses people and they fear him. When any teaching is going on in the church against the devil some Christians fear and begin to think that the devil will wait for them on the way and kill them. They will be afraid that some will ask for prayers after service. The devil has lost his power over us, you can only be intimidated by his false and deceptive power. Beloved, do not fear, Jesus has taken our place at the cross and nothing shall by any means destroy our lives again. If you are a believer, a real Christian, living the life of holiness, you must be assured of this one thing that God is in control of your life. The devil can never stop what God has in mind for you. You can shun the spirit of fear in your life today. **For God hath not given us the spirit of fear, but of**

**power, and of love, and of a sound mind, 2 Tim. 1:7.** Sun fear today, it is not of God but of the devil.

### **ROARS LIKE A LION**

In November 1994 when we were renovating a building we hired for a church hall in Douala-Cameroon, my wife was there with us working and after working for a long time, she was tired and decided to go and sleep a while and rest, and immediately she closed her eyes, a lion appeared to devour her and she woke up, and she tried to sleep again and the same thing happened and she rebuked the lion and she sleep off. Latter one of the women living around called the son of the landlord to warn us and inform us that we are going to see, that she will send a lion to come in and attack us during the service. That place was a citadel of Satan. She was very serious about it, she was trusting the power of her witchcraft. The message came to me and I send back message to her that we will send our own lion to come and attack her. She became afraid and started shouting saying that “this people have witch and have come here to destroy us”. Nevertheless they tried in diverse ways and failed. They failed and failed completely. We stayed there until God’s appointed time for us to leave that particular place. The lion of the Tribe of Judah prevailed against them.

***“BE sober, be vigilant; because your adversary the devil, as a roaring lion, walks about, seeking whom he may devour”.***

***1 Peter 5:8***

He is roaring and walking about looking for people that will be his prey, but the Lord is fighting our battles for us. We

are not afraid of false and cunning spirits of the devil. You must be careful, and not allow him to devour you. Be sober, be vigilant you have an enemy. It is time to raise a standard against him in all aspects of life. You must not allow him go without wound as Jesus has done his part.

The devil puffs up every day and puts people into fear and oppress them through that fear. He makes people believe that he is very power and destructive, and that no one can stop to lie. We are not bound, Jesus has set us free from the bondage and fear of the devil.

**MANY AFFLICTIONS – MANY DELIVERANCES**  
**Jeremiah 32:17 & 27**

Since it pleased the Lord to give us His only begotten son to redeem us from the powers of the enemy, there is nothing He can not do for us. He is the maker of heavens and the earth. There is nothing too hard for him to do. In times of afflictions, we must remember that our God is a terrible God, he fight and wins in every battle. He has His angels that he delegates to destroy our enemies that are against our lives. We must recognize that God is always available to help us in all our situations. We need not fear the devil for any reason, no matter the afflictions he is posing against our lives, the Lord is there to fight on our behalf.

***“Many are the affliction of the righteous: but the Lord delivers him out of the them all”.***

***Psalms 34:19***

One night in Douala-Cameroon, I saw something entered in our bed room while we were lying down in bed, it was glittering with light all over and was trying to go around our bed, and I was just looking at it and I shouted in the Name of Jesus, and it exploded like a gun shot and disappeared from the room. We woke up and looked around, we saw nothing, and I went close to the window from where that thing entered and I saw nothing, and the spirit of the Lord made me to understand that it was a demon that entered to attack us that night. The devil has sent several attacks that place both spiritually and physically but we got full victory. The devil wanted to bring fear into our heads but the Lord stood with us that night as a mighty terrible one. He comforted us, and we were very courageous and slept very well. The Lord delivered us from the plans of the devil, we trusted that the Lord can never allow us to be put to shame, nor to be destroyed by the powers of darkness.

You may have been afflicted in other ways, but one thing is sure that the Lord is always near them that serve Him and delivers them from troubles, Psalms 124:1-8 & Daniel 6:18-22.

**LISTEN!**

**GOD ALLOWED YOU TO CRY DAY AND NIGHT TO GROM  
YOUR FAITH TO LAUGH DAY AND NIGHT**

In 1988, between the months of May and June my wife was sick on one Friday, though it was not very serious before I went to the evening prayers, but she was very tired. While the prayers were going on, the Lord spoke to us in the church that my wife was giving up the ghost, that the problem was becoming very serious; We prayed, and I waited till the

service was over and went home. As I entered the house I saw the situation very critical, we were just married for few months, that was new experience in marriage. I saw my wife really going off and the devil trying to strangle her alive, I prayed for her and after eating that night I backed her up on my back and carried her to the church that night since we were having a night vigil. There was no vehicle. Reaching the church I kept her at one corner. She was very helpless but the Lord was my strength and courage. I was then 27 years and she was 22 years, the enemy was trying to discourage me but I refused. Since I could carry her alone to the church, believing the Lord for healing that was very important. I stood on the word of God, and kept on confessing and believing till the time of prayers. We prayed that night for many things and also prayed for my wife. In the morning she woke up herself and we went home together. She walked herself without any other pains, and that was the end of every thing the devil planned to have in my home. We must learn to stand firm against the devil when he comes with all his lies and deceptions. When he comes like a flood, the spirit of the Lord raises a standard against him through us the believers.

The enemy has brought many things like this one in diverse ways but the Lord gave us victory over him. We have always believed that God cannot allow us to be put to shame, we believe that what we are doing is not our work but His. If we are caring for the work of God, He must care for our own. I use to tell people, I did not beg God to give me Jesus, nor to give me bible nor even to become my God. He choose all these things by Himself, and if He has done all these by His own power and wisdom, then all the blessings I need as His child I will have them. His decision is final for me. I am not afraid no matter what the devil plan, they always fail.

## **CHAPTER 3**

### **THE HOLY GHOST POWER**

*“And behold I send the promise of my Father upon you: but tarry you in the city of Jerusalem, until you be endued with power from on high”.*  
*Luke 24:49*

*“In the last day, that great day of the feast, Jesus stood and cried, saying, if any man thirst, let him come to Me, and drink. He that believes on Me, as the scripture has said, out of his belly shall flow rivers of living water. But this spoke He of the Spirit, which they that believe on Him should receive: for the Holy Ghost was not yet given; because that Jesus was not yet glorified”.*  
*John 7:37-39*

*“But you shall receive power, after that the Holy Ghost is come upon you: and you shall be witnesses to Me both in Jerusalem, and in all Judea, and in Samaria, and to the uttermost part of the earth”.*  
*Acts 1:8*

Right from the beginning of creation, power has been in existence. God created everything in the power of the Holy

Spirit. And we know that there is no other superior to the power of God. He made everything, and made man to have dominion over all the things. Dominion means have power over everything He has made. He desires a man that has power, that can control and rule.

Man failed from his position and lost the power to the devil and God saw that man could not regain the power except He intervenes, He did by sending Christ to die and take the power back.

*“And Jesus came and spoke to them saying all Power is given to Me in heaven and in earth”.*  
*Matthew 28:18*

*“I am He that lives, and was dead; and; behold, I am alive for ever more, Amen; and have the keys of hell and of death.”*  
*Revelation 1:18*

Our Lord Jesus Christ was telling his disciples of the power He will send to them from above which is the promise of His Father and our Father now that we are born again. He told them to tarry until He sends this power. But He has to defeat the devil first and come out to declare this power to the disciples. When He resurrected, He declared that all power is given to Him. This power is the authority or the seal of His victory over the devil. But the disciples must go and face the world of power, where the devil roars like a lion.

Jesus asked the disciples to wait until He gives them power from on high because He knows that the world is full of wickedness and that the devil is seeking whom he may devour. With the power of the Holy Ghost he can not devour them. with out power they could not achieve anything. If

Jesus needed power to work against the devil in His humanity, the disciples need too the power.

The only power that the devil fears is the power of the Holy Spirit, because it is divine and has no comparison. It is power from the Almighty God. If our God is almighty, then all might, power, authority and strength belongs to Him. It means that every other power is false and deception.

***“Behold, I give to you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you”.***  
**Luke 10:19**

***“And when He had called to Him His twelve disciples, He gave them power against unclean spirits, to cast them out, and to heal all manner of sickness and all manner of disease.***

**Matt.10:1**

Jesus did nothing without the power of the Holy Spirit, He never come to glorify Himself, He came to glorify God the Father. He was empowered from above, He was anointed by God and that brought healing and deliverance to mankind during his earthly ministry. He never wanted the disciples to operate on human wisdom else the devil will crush and scatter them.

**PLEASE!  
ALLOW HIM TO TAKE OVER THEN YOU CAN FOLLOW  
AND FOLLOW WELL**

Once I was ministering to a girl that was empowered by the devil, she was only shouting, I will kill you, I have been sent to destroy you, and many other nonsense the girl was saying. I just shouted, in the Name of Jesus that is above every other name, having power over all other powers, thou spirit of the devil come out of this girl and go, the girl fell on the floor and stayed there for a long time and finally she came up singing and that was all. This is the power of the Holy Ghost, without this power we can do nothing.

Several times the devil have used the mouth of his possessed argents to say a lot of things and finally left as the Name of Jesus is pronounced in the Power of the Holy Spirit.

One of my former member who is now a pastor's wife was once possessed by a destructive demon. She will break anything around her she was very violent in action. We really ministered to her for some days before she could be completely free, but on the final day, she was shouting, I have been sent to destroy you and you will die. Then I told the demon, if you think you have the power, then come and kill me, and she will stretch forth her hands like an angry lion to fight and I commanded the spirit to leave her and she fell down shouting I will not go, I have been in this place for long and this is my house, then I told the spirit you are a thief and a thief must be killed and destroyed, then the spirit responded let me then go and with a loud cry the demon left and this girl became free completely and now married to a pastor and enjoying the ministry of our Lord Jesus Christ.

The devil cannot stop the power of God that operates in the life of the believers, except we begin to sin against our Lord Jesus Christ. When we sin the power of God stop flowing, and the spirit of God is grieved. Someone may ask me a question, why is it that some people are living in sin and

the power of God is still working in their lives? Listen! A sinner cannot provide anything divine. The Holy Ghost may come and work in that programme to bless people and after this man or woman will be destroyed in hell fire. We have no two divine power. It is one and that is the Holy Ghost, and from above.

There may be other deceiving powers of darkness that people use to gain popularity and make their belly to be filled, you better know that the end of such people is destruction in the pit of hell fire. Where the devil will reign over them for ever and ever with much torments and crying.

We are in the world of power, everybody needs power whether it is of God or of the devil some people do not care about it, but one thing I know is that at the end of the whole thing, we must give account of all we have done in this world.

***“And by the hands of the apostles were many signs and wonders wrought among the people; (and they were all with one accord in Solomon’s porch”.*** ***Acts 5:12, 15&16.***

Whenever I see miracles in the Bible, it gives me confidence to believe more the word of God. We must recognize the power of the Holy Ghost which is working in us. We must know that the Lord came to favour our lives through his death and the power of the Holy Ghost.

God anointed Christ to deliver people from the bondage of the devil and that is the same power and instruction we have received from above to go and show the devil that he is now defeated by our Lord. Go forth now and declare the resurrection power and victory He has given to us through His death.

***“And into whatsoever city you enter, and they receive you, eat such things as are set before you”.***  
***Luke 10:8***

Jesus told the disciples how He saw the devil fall down like lightening, that means he was already scattered and has no more power over us. Since He told them to match and tread upon the powers of darkness. All the power of darkness must be match upon by us. We must make mockery of their powerless power. The devil is a loser by all round.

**HEAR THIS!**  
**SINCE THE DEVIL FAILED BY THE COMMAND OF GOD**  
**HE HAS NEVER RISEN AGAIN**

One time I was invited to preach in a particular village, after the message the presence of God came down in the little hall and people gathered from every corner and were looking from the doors and windows, it was a wonderful sight. Demons were crying out and the word of knowledge was highly in operation, and the people around began to shout this is witch craft, and even some people in the hall were afraid being new people in the Lord. The glory of the Lord was present, and even more which made the people outside to run. Almost all the people that were not filled with the Holy Ghost before were filled that night and it really brought great revival in the church. There is power, divine power, we must allow this power to be operated through our lives.

A woman who was sick for 38 years met me of this sickness, but she has tried every thing and failed. After narrating the story to me, I was moved with compassion and asked her few questions and took her to the scriptures, and just laid hands on her and abdomen, back and belly was free. The pains in the chest and back disappeared. This is the power of the Lord, no man can do this miracles except God be with him. If you do without God being with you, then you are serving the devil and will finally be destroyed with him.

We need power and must allow the power to operate in us. This is the power that works in us. The devil can never stop it and even nothing absolutely nothing can stop this power. If you already have the power, stir it up or if not ask the Lord to fill your life.

***“Then certain of the vagabond Jews, exorcists, took upon them to call over them which had evil spirits the name of the Lord Jesus, saying, We adjure you by Jesus whom Paul preaches. And there were seven sons of one Sceva, a Jew, and chief of the priests, which did so. And the evil spirit answered and said, Jesus I know, and Paul I know; but who are you? And the man in whom the evil spirit was leaped on them, and overcame them, and prevailed against them, so that they fled out of that house naked and wounded. And this was known to all the Jews and Greeks also dwelling at Ephesus; and fear fell on them all, and the name of the Lord Jesus was magnified. And many that believed came, and confessed, and showed their deeds. Many of***

***them also which used curious arts brought their books together, and burned them before all men: and they counted the price of them, and found it fifty thousand pieces of silver. So mightily grew the word of God and prevailed”.***  
***Acts 19:13-20***

When ever the power of God is demonstrated, it draws attention of people around except in some areas where they attribute the power of God to that of witchcraft. When Simon of Samaria saw the anointing being demonstrated by Philip, and how Apostle Peter laid hands on people and they received the Holy Ghost in Samaria, he requested for power for sale, Acts 8:14-24. He wanted people to receive miracles and the power of the Holy Spirit when he lay hands on them. He was trying to go from the power of the devil to the power of God, without change in him.

When I was doing my commercial studies in a particular community called Omoba, near Aba in Abia state of Nigeria, there was a great tragedy that took place one day. One unbeliever from Jehovah witness came out one morning and found a small coffin in front of his house, and he went inside and look for kerosene and matches to burn it. By his standard he knows God, but God do not know him, he has not confessed his sins, and has no given his life to Christ. He does not know what it means to know Jesus Christ as personal Lord and Saviour, but he decided to act like a person that has power of God.

Of a truth, he put kerosene on the little coffin and put fire on it, but right there he became naked and turned mad immediately. This is what the sons of Sceva the high priest did, using the Name of Jesus they do not know, but that which

an other person is preaching, He is not living in them but in the man that was preaching that Jesus. Do not demonstrate any thing called power of God until you are sure you are born again, and filled with the Holy Ghost. People saw it and were afraid as in the bible days. I was not even a Christian when that thing happened, but now I can know that man could get mad instantly.

## CHAPTER 4

### THE POWER THAT WORKS IN US

***“Now to Him that is able to do exceeding abundantly above all that we ask or think, according to the power that works in us.***

***Ephesians. 3:20***

One of the greatest thing that can happen to a child of God is to realize his person and his place in Christ. A lot of people live in ignorance of their person and quality as Christians. They fear any thing that is called devil or demon. This is because they have not the knowledge of whom they are and the power that works in them.

When I remember that I am a child of God, I feel like dancing even at the street. I know I have suffered in the hands of the devil. He has harassed me several times. He has intimidated me also many times, but since I realized the

power that works in me; I stand to declare every where that the devil is under my feet, Jesus did it for me and for you.

We are in the world where we cannot run away from problems, the devil knows we are against him, then he brings all kinds of troubles and problems to people, but thank God we have Jesus who has overcome him at the cross of Calvary. We are victorious through Him at all times. You are more than conquerors in Him. If God fights your battles no one can defeat you.

***“And having spoiled principalities and powers, He made a show of them openly, triumphing over them in it.***

***Colossians 2:15***

***“And Jesus came and spoke to them, saying, All power is given to Me in heaven and in earth.***

***Matthew 28:18***

When we are ignorant of the devices of the devil, he uses that to manipulate us. Ignorance is the power that gives the enemy a breakthrough to oppose us and win. When you have the knowledge of the Holy One, you have authority over all your adversaries. Can we run away for the devil to reign, certainly no. It is impossible Jesus is our winning power. There is power that works in us, and this power cannot be moved or stopped by the enemy. He has no right over our lives except the one we give to him, but no way for him.

Our God is able in every area of life. He made us and can never leave us in the hands of the enemy to defeat or destroy us. The only place of comfort for us is in our God, when there is problem we pray and ask from above, but we have assurance that the Lord does even than we ask Him.

He goes beyond asking or thinking, when we ask for a thing it shows obedience and humanity. He wants to hear us speak to Him as our Father, but He knows every thing we need. For the fact that He invested power in us, He wants us to use this power to show down to the devil. He wants us to make the devil know that victory has come to us through Christ by using His Name.

When situation arises, we can only go to Him that is able to do all things. The only capable person, who is ready to do it according to our desire.

**BELOVED!**  
**THE POWER IN YOU IS NEVER ORDINARY, YOU CANNOT  
KNOW UNTIL YOU USE IT AND WORK**

When we realize that Christ died for us and has given us power to operate in this world, we become authoritative over the kingdom of darkness. The devil is a loser, he has always lost every battle he foolishly engages in. If you know your place in Christ, victory is yours. Nothing can say yes when we say no to the opposite. You must know you are in control because of Jesus Christ.

## CHAPTER 5

### ALL POWER IS GIVEN UNTO ME

As Jesus declared that all power is given to Him, it means that no other power is remaining. Whether is good or bad, all are under Him. The devil can never go beyond the order of Christ. He lost the battle and will keep on loosing the battle on behalf of Christians. You must know your authority.

***“You are of God, little children, and have overcome them: because greater is He that is in you, than he that is in the world”. 1 John 4:4***

***“For whatsoever is born of God overcomes the world: and this is victory that overcome the world, even our faith”. 1 John 5:4***

since Jesus has all the power, they are now transferred to me and you through the Holy Spirit that is in us. The overcoming force in us is the Power of the Holy Ghost in us. We produce this power as we pray. Faith springs up into action, as we also allow Him to reign in the fullness. When Christ exercises His reign and power through us, every other power that claims to be in the world fears. Fear disappears when Christ appears, in action. Sure the fiery darts of the devil can never stand where faith stands out in anger.

A staggering man can never operate in faith. Unbelief is a killer disease, it is more dangerous than physical ailment. When faith leads a journey, every plan is sure to succeed.

***“For the devil sins from the beginning. For this purpose the Son of God was manifested, that He might destroy the works of the devil.***

***1 John 3:8b***

Jesus has done His part and has called us into the service of dismantling the kingdom of darkness. How can we destroy the works of the devil? Through prayer and the word. Prayer is the force that produces the power that works in us. Nothing sounds so powerful like using the word through prayer. The word of God is the sword of the spirit, it disorganizes the devil and his co-horts, Eph.6:17. A man who cannot pray, can never understand the power that works in us. The Holy Ghost lives in us, and He is a praying Spirit. The Holy Ghost is a prayer warrior.

***“Likewise the Spirit also helps our infirmities: for we know not what we should pray for as we ought: but the Spirit itself makes intercession for us with groaning which cannot be uttered. And He that searches the heart knows what is the mind of the Spirit because He makes intercession for the saints according to the will of God” Rom.***  
***8:26-27***

The devil has corrupted the world, he makes them believe that he has power. He roars like a lion seeking whom he may devour, but he cannot devour you when you pray. All power is given unto Jesus and this power is in your hands today to produce signs and wonders. The power of hell

quivers when Jesus is mentioned, call on Him to take over and you will have rest forever.

You must know how to stand against the devil in all aspects. Christ overcomes the devil and nothing can hinder the power of God in you, if you believe. The devil is a big loser, both in you and in others too. Resist him, I say resist him in the faith.

***“Be sober, be vigilant; because your adversary the devil, as a roaring lion, walks about, seeking whom he may devour: Whom resist steadfast in the faith, knowing that the same afflictions are accomplished in your brethren that are in the world.***  
***1 Peter 5:8-9***

Do you think there is still any other power superior to the power of Jesus Christ? Greater is the lion of Judah in you than the wounded, crushed, powerless devil in the world. You have the power, go and declare it in the world. Do exploits because you know Him that you believe. He can never disappoint you. All power is given unto you. God is waiting for us to destroy any works of the devil around us. Wherever the works of the devil is found, we must be very active destroying them, or they will begin to destroy you.

***For as much then as children are partakers of flesh and blood, He also Himself likewise took part of the same; that through death He might destroy him that had the power of death, that is the devil; And deliver them who through fear of death were all their lifetime subject to bondage.***  
***Hebrews 2:14-15***

If you are still fearing the devil it means that you do not know what Christ has done for you and in you. He resurrected and declared that the power has been taken from the devil. He had the power of death, but Christ has taken it away from his hands. Do not neglect the power that works in you. Refuse to remain under his fear, he is a liar.

***“You are of your father the devil, and the lusts of your father you will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. when he speaks a lie, he say speaks of his own: for he is a liar, and the father of it. John 8:44***

He uses lies to keep people under bondage, he makes them believe that he is what he use to be. Lie, I say lie. He lost all the power to Jesus. What you have the devil does not have. He is operating on fake. The original is with you and the counterfeit is with him. Believe me, even the most weakest Christian can put the devil to flight.

The devil takes away your peace because you do not realize the power of Christ in you. He steals your joy and takes away the precious things that God has given to you. You must carry out war against him. Stop complaining and launch attack against his kingdom. Oh’ what needless pain you bear because you do not know. Oh’ what needless sorrow, lost, you lack because you do not stand your ground as a soldier of the Lord. Beloved, pray it out. You have the power in the name of Jesus Christ.

***“Take heed, brethren, less there be in any of you an evil heart of unbelief, in departing from the living God. But exhort one another daily, while it is called Today; less any of you be hardened through the deceitfulness of sin. For we are made partakers of Christ, if we hold the beginning of our confidence steadfast to the end; Hebrews 3:12-14***

The only thing that can stop this flow of power is unbelief, sin or doubt. When once we are deceived by the devil to go our own way, we will miss it. You are partaker of what Christ has done and you must stand daily in it. Your confidence in the finished work of Christ matters a lot. Rely on him and pray. Let your life change the lives of others like a battery charger. When you come together with others release this atomic kind of faith by words so that they can know what Christ has done for us. Deliver your brothers and sisters from the hands of the enemy. Let us work together to kick the devil away from our lives and families. When you say that he has lost the battle to Christ believe and declare it boldly to other people.

**HARD TRUTH!  
WITH HIM ALL THINGS ARE POSSIBLE, IF YOU BELIEVE  
IN HIM THAT MAKES ALL THINGS POSSIBLE**

Fight, beloved fight this fight of faith. Declare your arena devil and demons no go area. Make your place a danger zone for their kingdom agents, both spiritual and human agents. Realize this power today and stand in victory for ever.

***“And the God of peace shall bruise Satan under your feet shortly. The grace of our Lord Jesus Christ be with you. Amen. Rom.16:20***

Remember the source of your power. It is Christ that works in you through the Holy Ghost that He has given to us. He will bruise that wicked one under your feet. Believe it, stand for it and win.

You cannot talk of Power if you cannot pray. Prayerlessness realizes needless troubles on a believer. When you pray, your sight gives way for the power of God to be released. And it is only a man of prayer that can look into the spirit and predict the future. Can we say we have God’s power and refuse to pray? Then where does the power come from? From above or beneath? You must pray and win.

## **CHAPTER 6**

### **THE POWER OF PRAYER AND THE WORD**

A man of prayer can use the word of God at all times and produce effective results. God is not tired of hearing when we are not yet satisfied for our need. Our prayer is great investment for our future blessing and reaping. When we pray using the word, we become a center of attraction to our generation. Ask a man who has results in the public, he will tell you he has spoken much with God in the secret without tiredness.

***“Wherefore receive you one another, as Christ also received us to the glory of God. Jn 15:7***

We have a cheque book that is open from the Lord. We are free to tear out any one and use at any given time. ASK WHAT YOU WILL. This is a cheque, an open one. From where do we ask those things? From the bank of God. God’s bank is real and providing. If my words abide in you, then you can ask. It is now within us to release this power that works in us.

***“Verily, Verily, I say to you, he that believes on Me, the works that I do shall he do also; and greater works than these shall he do; because I go to My Father. And whatsoever you shall ask in My name, that will I do, that the Father***

***may be glorified in the Son. If you shall ask any thing in My name, I will do it". Jn.14:12-14***

When God tells us to ask from Him, He wants to show the world that He is a caring and loving father. Imagine all that Christ did, He wants to see us enjoying his goodness in this world. The word gives us the right into his kingdom to ask for what we need.

**DANGER ZONE!**  
**WHEN THE DEVIL INTENSIFIES YOUR PROBLEM**  
**INTENSIFY YOUR PRAYER OF FAITH TO CONQUER HIM**  
**ALL ROUND**

I have seen countless miracles happen to the glory of God as I minister to the need of people. The word is what God used to make us what we are today, and you cannot rebuild any man that is bad in this world without the word. He that is joined to the Lord is one Spirit with Him.

***"But he that is joined to the Lord is one spirit".***  
***I Cor.6:17.***

If you are joined to the Lord, you have the authority over the devil. You can do all things through Christ that lives in you. Some people will even say, but I am not a pastor, this kind of power belongs to the pastors. Brethren, Jesus did not die for pastors alone. Before one becomes a minister of God, such one was once a member in the church. Jesus did not say I died for pastors, therefore pastors go and use this my power alone. He says whosoever believes, Jn.14:12.

The word you hear in the church is not enough. You must read it yourself to equip your life with the weapons of

our warfare. If you do not understand as you read, meet your pastor and he will explain to you. It is dangerous to read and never understand what you read. It is like a man with weapons without knowing how to operate them. Sure the weapons are there, but they are useless because it can do nothing to the enemy. When you know the power in the word and prayer you will revolt against the devil and his demons. You will learn to provoke his kingdom for x battles. Make the devil to fear your environs.

**REALITY!**  
**SATAN CANNOT CRUSH YOU IF HEAVEN IS BACKING**  
**YOUR BLOW AGAINST HIM**

Doing the work that Jesus can only be effective when we realize the power that works in the word and in us. Realizing what God wants to do through you and accomplish great things in this present world. Beloved you have no other world where you must work, except this one world. The world coming is a place of rest and having your reward of work. I know you will forget the mistakes of the past and face the enemy to his place. Give him no rest, get him out and let him know that he is weaker than anything weak.

Today, I stand to declare you free from the weakness of prayer and studying the word. I decree the anointing of prayer and revelation knowledge of the word upon you. Rise up and become the devil's number one enemy. Now, you can do the works He did using the word and prayer.

The devil knows that when we pray that heaven opens to rain down great substance to us, then he stops us from doing it. Do you want to see the power in you work, then pray. When you cry and ask from above, you alert the host of

heaven to fill your life. And you know that no miracle can stand when tears beckon on it to come and show itself.

**HER THIS!  
SOLUTION DROPS LIKE RIPE FRUITS WHEN YOU DROP  
YOUR TEARS AT THE FEET OF CHRIST.  
THE NEED THAT CAUSES YOUR TEARS TO DROP  
CAUSES HEAVEN TO DROP YOUR MIRACLE**

We cannot be so full that God refuses to give to us again. He is ready to release into our hands the most precious things of the earth if we care. Beloved, when we pray and it seems that heaven refuses us, as we cry out with tears putting our demand through the word, things must happen without delay. God can never say so when your eyes are filled with tears of prayer. We must understand that God is waiting to hear from His children. No matter how weak we are, when we pray, the angels know that the people talking are the redeemed ones.

Can God deny us any thing that is according to his will? He will never do so. Seek your demand today with tears of prayer using the word and make great way for your future. No power can withhold what prayer has taken down from heaven. It is God that made all things, when he gives, the devil never stand on the way.

**TRY THIS!  
WHEN SINCERE TEARS OF PRAYER DROP DOWN FROM  
A CHRISTIAN, THE ANGELS ARE GIVEN COMMAND TO  
ACT WITHOUT DELAY.**

The greatest offer you have from heaven is to sign your cheque every day using the name of Jesus who has made it available. We can not fail if we trust Him.

***“And shall not God avenge His own elect, which cry day and night to Him, though He bear long with them? I tell you that He will avenge them speedily. Nevertheless when the Son of Man comes, shall He find faith on the earth?”***  
***Luke 18:7-8.***

Jesus said, God will hear us if we persist and persevere. We are His children. The sheep of His pasture.

When you pick a verse or verses of the scripture that deals with your need, God will never say no. Be wise and know the right scripture. One girl came to me scratching her body, guess what it is, Phileria. Her face was filled with bombs and she said Papa pray for me, and I reached forth to lay hands on her, and immediately I felt a release of anointing on her and five minutes later she started laughing. Those things have disappeared from her face and body, her peace came back to her, Praise God. The power that works in us is the anointing of the Holy Spirit. I simply explain anointing as allowing the Holy Spirit to work out His will through us. When you obey the Holy Ghost, He will always surprise you.

## CHAPTER 7

### THOUGH WE WALK THROUGH THE FIRE

Fire is always used as afflictions of the devil against mankind. Another thing it represents is trials and temptations, but they are very submissive when you remind them of your power and authority that the Lord has given to you.

***“Many are the afflictions of the righteous: but the Lord delivers him out of them all.***

***Psalms 34:19***

***“When you pass through the water, I will be with you; and through the rivers, they shall not overflow you: when you walk through the fire, you shall not be burned; neither shall the flame kindle upon you”.***

***Isaiah 43:2***

No promise of the Lord is written down in vain. I believe strongly that many have not known how to use what God has written down for us. His promises are for every one that understand why the bible is given to us. Fire and waters here are not only symbol, many have gone through the Atlantic Ocean, I just quote this scripture and that ends it. The word of God is God Himself. He acts as we invite him to work for us. No afflictions of the devil can stop God's miracles from coming our way. When the devil signs a verdict against us, God changes it without delay. You have the power to say no to the devil. Tell him no and he must take it like that, we do not beg him to accept it, rather he takes it without satisfaction and yet obeys.

### ***1 Cor. 10:13***

Sometimes when problems come our way, it seems as if it will swallow every body, but when they are handled properly, the bitterness in them disappears without delay. The only way we can overcome at all times is to stand and face our opposer the devil, with Christ in us he is never a match for us. It is not us but Christ that lives in us. The battle is the Lord's, all we need to do is to watch and see the down fall of the wicked one, Psalms 91:1-16.

***“A thousand shall fall at your side, and ten thousand at your right hand; but it shall not come near you”.***

***Psalms 91:7***

***“The Lord is my light and my salvation; whom shall I fear? The Lord is the strength of my life; of whom shall I be afraid? When the wicked, even my enemies and my foes, came upon me to eat up my flesh, they stumbled and fell. Though an host should encamp against me, my heart shall not fear: though war should rise against me, in this will I be confident”.***

***Psalms 27:1-3***

One day I received news that my son was sick unto death, but the Lord delivered him, my daughter the same and my mother inlaw, all attacked by the devil and at the same time. I got a news that my aunt, the only sister to my late father was dead. The devil wanted to discourage me, he suggested a lot of things and I refused listening to him. I can't listen to a fool. A deceiver can never give me a satisfying

information to have comfort. The Lord encouraged me and comforted me. When such things happen to a man of God, many people do not care. A pastor is a person who cares for people but few can say, I care.

The devil was disgraced and put to an open shame in this matter. You can not be overtaken by the enemy that looks for your down fall.

When it seems that your strength is decaying and there is no more place to rely, look for another believer to support you. Two are better than one. You can chase one thousand, but God says two of you will chase ten thousands. This is cooperate anointing in the service of the Lord. Look for a partner, who can help you to pray out your need. Look for a serious believer. Not a fake person who does not know what prayer is all about. Some people say that Jesus has fasted of them, the need not to fast again. Beloved, we need all to fortify our strongholds in him.

We can also release our prayer language, praying in the Holy Ghost, Eph.6:18. When we pray in the heavenly language, we speak mysteries unto the Lord, we are charged like new battery look for work to do. Oh' what a wonderful privilege of being full of the Spirit. The Lord is our strength, He is our saving grace. Where He reigns, there is nothing to fear.

## CHAPTER 8

### MAKING THINGS HAPPEN

When the power of God is being demonstrated, I feel so much happy. Deliverance shows how weak the devil is and how great our God is. I call the devil a forerunner to miracles. Wherever he goes to create havoc, there is miracles awaiting there. He has no power to stop the purpose of our creation.

One thing I love is that Jesus' resurrection has given us more boldness to go and tell people of his power. The greatest shame would have been if he did not resurrect. He is Lord of all.

***“For thus says the Lord of hosts; As I thought to punish you, when your fathers provoked Me to wrath, says the Lord of hosts, and I repented not: So again have I thought in these days to do well to Jerusalem and to the house of judah: fear you not”. Matthew 8:14-15***

Miracles make me feel fine. Jesus just touched a sick person here and something happened. Ordinarily touching, power is released through touching. People sometimes come to me when I am under the anointing of the Holy Spirit, I will just tell them to touch me for their needed miracles and things begin to happen. To the glory of God the Father I said this.

A lot of people believe in the miraculous, but they sometimes do not believe it can happen even just now. I have heard people ask, can this power work for me too? The answer is yes. It is not for particular people, the Lord has

distributed His grace to every man according to his will. The anointing upon Jesus through the Holy Spirit is not for lavishing; it was for specific mission on earth.

One day, a child who was lame was brought to our office, I was provoked to drag the child up and pray for him. After some days the lameness disappeared. I had much joy as never before that day. The parents believe that I used diabolic power, especially the father since he is not a Christian. Any miracle that does not have holiness as a goal is not to God's glory. When they saw their child in good condition since it was their neighbour who brought him to be prayed for, they were surprised. The wife wanted to continue in our church, but the husband said, you must not put your legs in that church. The child wanted to be coming but the father refused completely. Such things have happened several times, people are being healed and they refuse to serve God. I even ask God, why will you heal people who will never serve you, but the answer is simple from Him, my good is for the bad and good people. They have their will power either to follow or not. But it will not stop such a person from being to hell on the last day if he repents not.

**REAL TRUTH!  
REPENTANCE IS SEEN BY THE WAY YOU LIVE YOUR  
LIFE**

Some pretend to have been repented, and others really repent and getting home their mind or their family people tell them not to go and they obey. On the day of judgement, every one will stand to be judged individually. We must give account to God. When you have a miracle and refuse to

serve God, it is also a big sin against the ALMIGHTY GOD, ungratefulness.

Jesus was going about doing good on people, healing and delivering them from the oppression of the devil. To make things happen, you must be involved in God's power and operate in the gifts of the Spirit. 1 Cor.12:1-11

The anointing is to make good things to happen, and if you say you have anointing and nothing is happening in your life to set the captives free, I doubt it.

***“Jesus answered and said to him, Get you behind Me, Satan: for it is written, You shall worship the Lord your God, and Him only shall you serve”.***  
**Luke 4:8**

Where ever I go to preach, I make sure that those that are under satanic control get liberated. This is the mission of Jesus Christ on earth. Freedom from sin and satanic oppression, is the reason why Jesus has come, we must continue in this mission through the power of the Holy spirit in us.

**THINK ABOUT THIS!  
FAITH WITHOUT WORKS IS LIKE THE FAITH OF SATAN –  
HE BELIEVE IN GOD BUT REFUSES TO FOLLOW HIM**

I saw a high lady police officer one day at Douala International Airport and she created me familiarly, being a pastor I greeted her so well also, but she asked , Pastor it seems you can not recognize me well again. I said I have seen your face before but I don't know where, please can you introduce yourself to me? She said I came with my daughter

with a serious problem to your office once, she was bewitched by people because she was married to a rich white man and she was having serious marriage problems and that increased her sickness, she was healed and today she is living with the husband in Europe. We were all happy, and later parted, the next time we met was still at the airport since she works there, she took proper care of me because of what the Lord did for her, this is the work of God. The power in us takes us to people of value, to the nobles. This power has led me to people that I would have not known in the society I belong.

**BELOVED!**  
**NO ONE HAS FAILED WHERE THE WORD IS GIVEN**  
**FREEDOM TO REIGN**

When we trust in the Lord, things happen around us. God does not disappoint, instead He appoints us to a better living. I tell people when you are disappointed somewhere, it is because God wants to appoint you in something better and marvelous things.

***“The Lord kills, and makes alive: He brings down to the grave, and brings up. The Lord makes poor, and makes rich: He brings low, and lifts up. He raises up the poor out of the dust, and lifts up the beggar from the dunghill, to set them inherit the throne of glory: for the pillars of the earth are the Lord’s, and He has set the world upon them”. I Sam 2:6-9.***

## CHAPTER 9

# T R U S T

***“Trust in the Lord with all your heart; and learn not to your own understanding. In all your ways acknowledge Him, and He shall direct your paths”. Proverb 3:5-6***

***“Commit your way to the Lord; trust also in Him; and He shall bring it to pass. And He shall bring forth your righteousness as the light, and your judgement as the noonday”. “Psalms 37:3-5***

I have seen a lot of miracles in our ministry and because of that I can never quit my faith from the Lord. I mean I have seen the reality of God. Some people go with the Lord for a while and after they turn back, because they have not seen anything good for themselves, but I think the very life we have is a miracle from the Lord. God gave us his son to die for us and has promised to give us all things through Him,

***“He that spared not His own Son, but delivered Him for us all, how shall He not with Him also freely give us all things? Romans 8:32.***

If we can trust in the promise of a man that can die, then we must learn to trust the divine God.

**WHEN YOU TRUST IN MAN, YOU HAVE TRUST IN THE POWER THAT WILL FAILED YOU COMPLETELY.**

Our understanding deceives us most of the times. The devil makes us believe that he has better things for us than God, but he is nobody and can do absolutely nothing good for us. Even those that serve him are wretched and miserable, they regret they have served him when they see the true light of God. Those you think are rich serving the devil know that their life is lost forever. When God is allowed in the center of our lives, then He works and gives us all that we need in life.

The only personality we can trust is He that has the ability to change things, and it must be divine. Then God of heaven and earth, the maker of all things. The devil roars like a lion but he cannot stop what God is doing even for a second. Trust is the message. When you trust you are free from the hands of the wicked one. It is God that is living in us, and He is greater than the devil in the world. The power in us is from above and it is above every craftiness of the devil that he calls power. He will give us the desires of our heart as we delight in Him. He is more than our needs and wants in life. What is it that the Lord can not do?

The word of God declares that there is no other power that controls the universe except that one of the Jehovah, He is the almighty.

Trust Him, believe Him, Have confidence in Him and you will be very happy you have a living God. The power that

works in you can produce great and surprising things as you anchor your faith in the Lord. Trust and obey.

**OPEN TRUTH!  
FAITH CAN NEVER FAILED WHERE MAN HAS FAILED YOU.**

A young man came with a problem of pile that was already due for operation, the doctor has confirmed the operation, but his sister told him of the power of the Almighty, the power that works in us. He believed and came to our office, he was instantly healed and today he is perfectly whole. We must trust in our God. He is able, He can do all things as we trust and believe Him. The young man was asking the sister before his healing "Is this the only thing they will do for me to be healed? You may have thought so before also, but God is greater than your trouble.

The failures that stop people from achieving their aim in life are caused by the way they reason. No matter how your yesterday was, sure your today has great future in it. You must trust, all that God has made are for us. The afflictions of yesterday can never stop God's miracles for today. Sure the devil may have fought against your life, but you are in the hands of the Most high God. He is higher than your problems. Trust is the attraction word. To experience hard times means that doors are going to open for you soon. And if today is filled with darkness, that does not stop the plans of God for tomorrow. Do not dwell in yesterday's failures, they stop men from looking ahead for new success waiting for them. No matter the plans of the devil against you, they cannot stop God's determined purpose when we still need them. You may

be a loser at the beginning, but that does not mean it is the end of your life. If God is ahead of you, your destination is the kingdom of God. Nothing can stop a journey that God has planned Himself. The problem you are passing through now qualifies you for a great miracle. Behind every problem there is a miracle.

Once I needed some money to travel and the one I had was not sufficient, then I prayed, and left for the journey to the airport, but when I was entering the car to move, I thought within me, miracle can happen any where. The money was not sufficient, but the all sufficient God was looking at me to see what I will do. When I reached the airport, as I was doing the necessary things to embark the plane, I saw one man running seriously to the airport, that was one of my members, a captain in the army, the Lord told him I needed money. He rushed down with what God has placed in his heart and deposited it in my hands. This is a miracle. It can happen any where. You must trust, and such things has happen to me several times. You know that a second is enough for God to put laughter I your tongue. He can never fail. He has never failed me. That you have trouble today does not mean that God is wicked or dead. The power of trust can still work for you as you believe in the word of God. He is the God of one second or one minute. In a twinkling of eyes your miracle can appear. He is God the ALMIGHTY.

It you have not given your life to Jesus Christ, you may not understand the saying of faith. To trust God, you must first allow your sins to be forgiven by asking Jesus Christ to come into your life.

***“Behold I stand at the door, and knock: if any man hears my voice, and open the door, I will***

***come in to him, and will sup with him, and he with Me”.*** ***Rev.3:20.***

He stands always knocking at the heart of every one that hears the word of God. You can even change today if you will. Even now as you are reading this book. Trust Him for your new life and He will give it to you. Mark 7:21-23 says whatsoever you do that does not glorify God defiles the body. If you are defiled, you are not of Christ. You must be clean to receive God’s miracles for your life. He will give you power to become a child of God.

***“But as many as received Him, to them gave He power to become the sons of God, even to them that believe on His name”.*** ***John 1:12***

When you allow Christ to work in you, all crises of life begin to disappear one by one. Each one has a word from God that fights against it. You can be free today and trust the Lord more than before.

No life turned to Christ that remains as it was. God changes people to his glory. Adorning people with goodness and mercy is the business of God, He is an expert in doing it, He transforms lives from step to step.

***“For I know that my redeemer lives, and that He shall stand at the latter day upon the earth: And though after my skin worms destroy this body, yet in my flesh shall I see God. Whom I shall see for myself, and my eyes shall behold, and not another; though my reins be consumed within me”.*** ***Job 19:25-27***

Do you realize that your redeemer liveth like Job? Or do you cry every day and tell people you are finished, and that you cannot come out of this trouble that you have today. Job said, he knows that God will stand for him. He is the God of all creation, He can stand for you too. He is your God. He is your maker. Trust in Him and be not afraid.

NOTHING CAN STOP YOUR FUTRURE, BUT YOU HAVE THE POWER TO DO THAT

## CHAPTER 10 THE POWER TO BECOME

***“But as many as received Him, to them gave He power to become the sons of God, even to them that believe on His name”. John 1:12***

The desire of Christ for every one is to become a child of God. He wants each person to renounce sin and declare total reliance on God. The Holy Spirit which is the power of God, convinces of sin and changes us as we obey to change from our old life to a new one. That same power that makes us children of God, goes a long way changing a lot of things in our lives. This is the power that transforms a poor person to a rich person, and the same changes low mental people to high reasoning men. It is the power of God. The power that sets men on high. The power to become what you want to become. You can be a child of God. If then you become a child of God, a prince or princess in the kingdom of our God, you are sure of your future and every thing you do.

***And Jesus said to them, Come you after Me, and I will make you to become fishers of men.  
Mark 1:17***

These disciples of Jesus here were made to become fishers of men. Catchers of men by the Power of God. They were to be trained by Christ to be catching men for God. You know what it means to be employed by God Himself, it means you are great. If Christ requests that we come after Him, He has great things in stock for us. He wants to make us to become people of dignity. He has the ability to make man and remake him again. When we failed through the devil, he ruled over us with all destructive and abusive force, but Jesus came to redeem us from him and make us afresh. I will make you to become. What does Christ mean, He wants us to be a part of what He is doing. Not only to win souls to the kingdom of heaven but also to be great in life. This is the will of God in Christ concerning us.

***“And by the hands of the apostles were many signs and wonders wrought among the people; (and they were all with one accord in Solomon’s porch. And of the rest dare no man join himself to them: but the people magnified them. and believers were the more added to the Lord, multitudes both of men and women. Insomuch that they brought forth the sick into the streets, and laid them on the beds and couches, that at the least the shadow of Peter***

***passing by might overshadow some of them. they came also a multitude out of the cities round about to Jerusalem, bringing sick folks, and them which were vexed with unclean spirits: and they were healed every one.***

***Acts 5:12-16***

This was a man that was just ordinary fisher-man becoming a crowd puller. Multitudes surround him now looking for help. Jesus has made him become, what a great man of God? His shadow now heals people. What a surprise? The Holy Ghost can use anything to glorify Christ except sin. The power was transferred into Peter and now he became a solution producer. He has solution to the problems of the people coming around him. This is what God is calling us to become. Solution givers. Miracles producers. People that can put laughter on the faces of people. Do you want to become a person of surprise in this world, come to Christ, He will make you to become.

The only person that can have this kind of fame is either a president leaving his capital to another state or a reputable person that has concern for people. This is more that that, Peter gives solution to people's problems. He satisfied problem stricken individuals and made them to laugh again. He was used to take away sorrow of many and gave them joy. The power that works in us. The power of the Holy Ghost. This power can work in homes changing lives, in marriages changing husbands and wives, and even their children. Jesus said, I will make you to become. He has something in mind. You have the choice today either to become what God deserve or not to become. Become what? I ask again, becoming what God wants you to become in life.

When you refuse to become that which you must be to the glorify of God, you become a problem no matter where you are found. You will be a problem to your family, in the church you belong and in your society. Refusing to be the person of God's choice is complete disobedience to the Master of creation.

Make yourself available for God to make you. It may be tough making you afresh, but at the end you will be happy you are molded afresh to the glory of God. God makes people and puts his glory in them to become world changers.

Do you want to become, do not look back to your former failures in life. Peter failed once and the Lord renewed him and brought him back to a higher dimension of usage, John 21:1-17. There is great danger dwelling in the past shocks of life, they stop men from believing God for new things. It is normal to fail in life, but do not remain there. You can choose today to be high in life if you are ready to obey and follow Him.

***“Say you to the righteous, that it shall be well with him: for they shall eat the fruit of their doings.***

***Isaiah 3:10***

***“Come now, and let us reason together, says the Lord: though your sins be as snow; though they be red like crimson, they shall be as wool. If you be willing and obedient, you shall eat the good of the land: But if you refuse and rebel, you shall be devoured with the sword: for the moth of the Lord has spoken it. Isa. 1:18-20***

It is now in our hands to obey and do those things that can be counted as great things in life. Reason with God and work out what He has invested in you. We will obey and eat the good of the land. We shall not be devoured, it is not the will of God for us at all. Do not disobey the voice from above, they bring message of change for your future. Do not say no to the things that can make you to become God's star. It shall be well with you if you do His will for your life.

You must realized that God wants you to be a person of honour. A person that can stand for others in hard situations. One that can tell others, follow me my God is able. You can be like that beloved.

***The vision of Isaiah the son of Judah and Jerusalem in the days of Uzziah, Jotham, Ahaz, and Hezekiah, kings of Judah. Hear, O heavens, and give ear, O earth: for the Lord has spoken, I have nourished and brought up children, and they have rebelled against Me. The ox know its owner, and the ass its master's crib: but Israel does not know, My people do not consider". Psalms 1:1-3***

The power of holiness makes us to become what God want us to be. When you say no to sin, it means you have decided to go after God and what He has for you. The power of the Word makes us to become like a tree that is planted by the side of rivers. It means success all round.

Christ said, come after me and I will make you . Lord I accept that you make me must be our response. When the angel came to announce to Mary what God wants to make her, she only said, Behold the handmaid of the Lord; be it unto

me according to thy word. Luke 1:26-38. But Zechariah, doubted, though he was a priest of the most High when the angel brought news of their child that was to come into their home. He become dumb. Luke 1:5-25.

When we believe in Christ's invitation and word, there shall be a performance of God's words in your life. You must be blessed if you believe. God is the one that performs His words in the life of people. Making things to happen for your favour is God's business. What man cannot do, God can do. With God all things are possible Mark 10:27. Nothing can be impossible to him that believes. Believe first and it will come to pass. There shall be a performance of God's word even now as you are reading this book. The power that God has put down in this book has the ability to make a performance in your life

***"Then said the Lord to me, you have well seen: for I will hasten My word to perform it. Jeremiah 1:12.***

Mary believed the message above and it brought joy to her family, and when Zacharias disbelieved it brought temporary dumbness to him. He would have believed, and that could have brought great joy to his wife and the people waiting for him outside. He came out dumb. That is how many pastors and ministers of God as starving the people of God, because they refuse to become what God wants them to be. They refuse to be made by God. They find it hard to bow and obey the making of the Lord.

Beloved which one do you want? To obey and be joyful or disobey and be dumb like the doubter? I believe you know what is better for you.

Here the poor is raised to sit with the princes in life. He can do the same for you. He can make you to sit with the nobles in life. He can also make your life a wonderful fruitful woman, no matter the years she has stayed without children. He makes, yes He makes people to become glorious in life. Listen, you can never live without becoming glorious in life. Listen, you can never live without becoming that which God has in mind for you. Now unto him that is able to do exceeding abundantly in your life.

## CHAPTER 11

### THE CREATIVE POWER IN THE TONGUE

***“For by your words, you shall be justified, and by your words you shall be condemned.***

***Matt. 12:37***

In the worldly court system, people are judged according to what they say. You may be right in a matter, but when you say the wrong thing you will be condemned. There is power in the spoken word. I have seen people who are right and say the wrong thing, then they are condemned before the court. Jesus was talking of the treasure of the heart of man where words are formed in the spirit before they are spoken out. Thoughts are part of words. What you think

is what you speak. When men are full of good thoughts, they speak good words, but if they are filled with evil thoughts, their words will surely be dirty. What you say justifies or condemns you, Matt.12:31-36. Think before you speak. Many speak nonsense when they are angry and after they deny they have said such dirty words.

The tongue is the power of words and speech. The articulating force of the mouth. Without the tongue the mouth is useless. The tongue creates words before they will appear. It has the power to build or to destroy. What you say is what you can have. When you realize this force of speech in you, then you become careful the way you speak either in the secret or in the public. What you say creates a force somewhere and operates. It produces effect either positive or negative. The tongue has power enough to change your life and future.

When God created the world, he just said, let there be and it existed. Genesis 1:1-31. The same power work in you. You have the power to kill or to make alive through the things you say. We can even bring things that does not exist into existence. God is living in us and wants us to know that He planted into us the creating ability. This is the reason we can bless or even curse. The power that works in us are the power of words, and when we have enough of the word of God in us, then we can really think of the things to be, and we speak them out to be. The force of holiness control the force of the power in us to rule off the natural. God is able to use the power of the tongue from now to create good things for your life and the lives of people around you.

It was Adam that named all the things that God created and brought to him. Whatsoever he calls them remain their names till now.

***“And the Lord God said, it is not good that the man should be alone; I will make him an helper meet for him. and out of the ground the Lord God formed every beast of the field, and every fowl of the air; and brought them to Adam to see what he would called every living creature, that was the name thereof. Gen.2:18-20***

***“Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof”. Proverbs 18:21***

***“A fools mouth is his destruction, and his lips are the snare of his soul”. Proverbs 18:7***

Prayer cannot be without the tongue. We cannot communicate without the tongue. There would have not been gossip without the tongue. There would not have been words of encouragement without the tongue also. The tongue is very important in life. But now it is written that death and life are in the power of the tongue.

***“Whosoever keepeth his mouth and his tongue keepeth his soul from troubles”. Prov. 21:23***

It is not good to be hasty of words. He that is hasty of words lacks understanding. He destroys his life and future. When a person is hasty of words, the devil uses that to entangle him in many troubles.

God is washing over the things we say. The angels of God that waits for God’s command are waiting to hear what we shall speak out of our mouth. When you have faith in your heart, no one knows it until you pronounce some words out of your mouth. The tongue releases the abundance of the faith we have. When you speak and it comes to pass then you will be termed a man of faith.

***“The words of a man’s mouth are as deep waters, and the wellspring of wisdom as a flowing brook”. Proverbs 18:4***

We must allow the reality of God’s word to dominate us so that we do not speak things that does not glorify God. Our bodies are the temple of the Holy Spirit, no good temple will like to defile himself.

***“Go to the ant, you sluggard; consider its ways, and be wise Proverbs 6:2***

***“For verily I say to you, That whosoever shall say to this mountain, Be you removed, and be you cast into the sea; and shall not doubt in his heart, but shall believe that those things which he says shall come to pass; he shall have whatsoever he says”. Mark 11:23-24***

Because the Spirit of God dwells in us, He gives us the force and power to speak. Peter after they have worked many days without catching any fish, they were discouraged and wanted to go. Jesus came to them and stop them and began to turn fishermen to the kingdom of heaven through his boat

and when he finished, He gave order to Peter which he obeyed and that was a change in his life, Luke 5:1-11.

Many people are under bondage today because of what they have said and that is bringing problems to them. I know a young man, his father cursed him because he had sex with his step mother. The young man always urinates blood, and his entire life is useless till we met.

The father has died, how does he plead for this great wickedness? Repentance and breaking the cursed in the Name of Jesus. My wife prayed for him after repentance and he was made whole. Sometimes women curse their children and think it is not powerful. What you say is what you have. Think back the things you have said against people and see whether they are edifying, lifting or destroying.

When you gossip, you are creating problems through your tongue. I have seen pastors that gossip their leader because they need his position and some died for the same gossip. When you gossip and slander, you are in danger. The devil will profit through that and work against you. Even those you think are holy sometimes carry evil news up and down more than unbelievers.

***“You shall not go up and down as a talebearer among your people: neither shall you stand against the blood of your neighbour: I am the Lord”.***  
**Leviticus 19:16**

The power of God in us is to bless, but sometimes one is moved by anger and he curse someone, when you realize it, do not waste time to change that. Ask the person to withdraw that words and change. Some people use their tongue to divide people and even the church instead of using

it to the glory of God. Be wise beloved and refrain your tongue from evil speaking. When you speak evil of another person, others will speak evil of you.

That is why I believe in prayer much, and when I pray, I am using the power of the tongue to control my life in the sight of God. When we pray, God is seeing us as a force asking for our rights before Him. He made us, and knows that He must care for us. If you have used your tongue wrongly over your children, husband and or wife begin to change it now. Use the word of God after repenting in the sight of God to change those words you have spoken. This is the power of the spoken word. When the words are still in you, they may mean nothing but immediately they are released for the blessing or cursing it is very effective. We must be careful the way we speak.

## CHAPTER 12 THE POWER OF PRAISES

***Who so offers praise glorifies Me and to him that orders his conversation aright will I show the salvation of God. Psalms 50:23a***

It is very clear that God requires praise, and that glorifies Him. You must first ask this question, why must we praise God? The answer is not far from you. As a pastor I have seen the power of praises in my family as a missionary and in the church too. Praises simply means exalting someone, or thanking a person for what he has done. Every child of God must learn the act of praises in personal life and then in the church. When we know the importance of praises, we will not be compelled by any one to give praise to God. Praises provokes the love of God. It provokes His compassion. It provokes miracles and healing. It provokes financial breakthrough.

**PURE TRUTH  
PRAISES MAKE YOUR ANOINTING MORE DANGEROUS  
WEAPON AGAINST THE DEVIL**

Whosoever praises God exalts Him. Nothing else can rejoice the heart of God like praises. Truly speaking, every thing we offer to God must be on the stand of praise. When you pay your tithe you are praising God with a little out of abundance He has given to you. You are just telling Him I thank you for giving me this. Even forcing a person to pay his

tithe shows that he does not recognize what God is doing in his life. I am talking of praises. I started this way because this is the area where the devil cheats people from praising the Lord. To sing to the glory of God means we love Him for all that he is doing in our lives.

***“Praise you the Lord for it is good to sing praises to our God; for it is pleasant; and praise is comely”. Psalms 147:1***

One lady has been going to where one man owes her, and every time she goes the man will turn her down, this thing happened for some-time and the lady was almost getting discouraged. One day the Lord pressed in her heart that she has to begin to praise her for that money, she wanted to pray but the Lord said no it is praises. She started praising the Lord, even in a taxi she entered, people around thought she was not normal but this is God working. As she got to the office of the man, the secretary as usual told her to wait for the man and she sat down to wait. This time the man just came out and told the lady to come in gently with her bag to collect her money. He gave the money to this lady and even wrote a note for her to go to his factory and collect many things that they are producing free... He escorted this lady to the gate and people were very surprise of this act because they have never seen such before. This is a child of God praising her master Jesus, giving Him praise for His Majesty and Excellency. God is a good and no one is like unto Him. He must be praised by us, and even all His creatures.

This is God working in the affairs of men as we begin to remember his goodness to us and thank Him for our lives and even remind him of the things He has done in the past. Even

you when you are praised for the things you have done, you are happy. This is the nature of God in us. You may not like to be praised because you may get into pride, but God cannot be in sin. You are His creature, He is proud of making you and no one can take you like him. His works are final. The beginning and the end of our life, even every thing in this world. It is very appropriate to praise the Lord. Ps. 148:1-14; Psalms 149:1-9.

Praise is weapon on it's own. Our God is ready to disorganize our enemies if we praise Him at all times. Praising God is not a periodical events, but a thing that must have to do with our daily life. Deep praises bring great miracles. A person who does not know how to praise can never experience the fullness of God's glory. He can never see the action of God as desired.

I finished praising the Lord one morning with my family, and as I went into the two having a destination, the Lord changed my going and sent me somewhere and He blessed me with a very huge amount of money. Really before I went out, the Lord put a word in my mouth telling my family that today is a miracle day having praised God in this extraordinary way. It was a surprise package to us, but to God it was normal. Oh' what we miss because we refuse to give God His due praises.

We have read from the Bible that Paul and Silas were imprisoned and were properly kept in guard, but in the night they started praising the Lord. The chains on their hands and legs got loosed. The chains were guilty of holding people that praise God in captive. The door was ashamed to keep closed since nothing wrong was found in the people and the whole building refused to obey the voice of man but that of God, just

because they remembered the God of heaven and began to give Him praise due unto his name. Acts 16:16-40.

Most of the time , we even quarrel with God in prayers, but you cannot quarrel with God in praises. Paul and Silas, they prayed and after that, they sang songs and every body heard them sing. They would have danced if the chains on their legs were not tight. Sure I know they must have danced to the glory of God after they were release from the chains of the people. The praise brought earthquake and salvation of a whole family. Imagine what praises can do in your life if you decide today to be practicing it. Give time to it and it shall bless your life. The power of praise.

As I travel to many places preaching the gospel, I charge many churches where I was invited to sing praises seriously unto the Lord before we enter into one day activity. While the praises begin, miracles begin, there are disappearing of all kind of ailments and people get excited and praise Him the more and things happen. In our church, we have seen the miracle happen as we praise the Lord. Serious sickness and diseases has been reported disappeared as we lift our hands unto the most high God. I do not joke with the choir of our ministry, this occupies me if I am around, because they inspire me into glory and sometimes I don't feel like waiting for them to finish before preaching the word because the anointing is more than enough for the day.

Jehoshaphat is a man people always take for an example of praises in the midst of war. Instead of fighting with physical weapons, the Lord took over the battle. The battle is the Lord's as we praise Him. 2 Chronicles 20:1-30. God gave the man a complete victory and even rest around his kingdom. What a wonderful God, let copy him and learn to praise unto the Lord.

Sometimes I feel like stopping my vehicle on the way and begin to sing praises unto the Lord. Offering is praise to God, sacrificial giving are praises to God, but all these are different from speaking of the greatness of our God and his mighty acts.

***“Both young men and maidens; old men, and children: Let them praise the name of the Lord; for His name alone is excellent; His glory is above the earth and heaven”. Ps. 148:12-13.***

***“Let everything that has breath praise the Lord. Praise you the Lord”. Psalms 150:6***

We must teach our family members to praise the Lord whether we are around or not. We all belong to God and He deserves our praises, and we need his miracles. In God's presence when you are carried away by praises, you may not even stand up, you may kneel down or even lie face down not minding the beauty of your wears. Sometimes while people are praising God in the church others will be standing looking at them, for them they do not see the reason why all this noise must be made. They want an atmosphere of calmness, but the Lord still require praises. When praises go on in the church, the holy Spirit descends to inhabits the praises and take care of unnecessary problems troubling the body.

You can become a person of praises every day. The power of praise makes God to come like in the case of Jehoshaphat and work. When every thing has failed and nothing seem to work, try praises and the Lord will be provoked into action. He will rise against your enemies to utter destruction. He will put them to shame one thousand

shall fall at the left hand side and ten thousand shall fall at your right hand side can be produce through prayers. When you begin to praise your master Jesus from time to time, He rises in His majesty to act as the Lion of the tribe of Judah He is called.

## **BECOMING A PERSON OF PRAISES**

When I worship the Lord, I do not want anything to disturb me. Praises take men into deep consecration with God. I make people to be devoted to God. It is not every body that can properly pray but every-one can simply praise the Lord with understanding. Praising Him for works in the affairs of men on earth. When you have no reason to praise the Lord as I know there must always be reason to praise Him, begin to praise Him for the life He has given to you and keeping it also by his power. Praise Him for your family, and you can being to single your children out one by one praising God for each of them. It is evident that the Lord want to do something in the life of each one of them. Let praise be to us like our breathe, Psalms 136:1-26.

***“Let my adversaries be clothed with shame, and let them covered themselves with their own confusion as with a mantle. I will greatly praise the Lord with my mouth; yea I will praise Him among the multitude. For He shall stand at the right hand of the poor, to save him from those that condemn his soul”.***

***Psalms. 109:29-31***

Oh' that men will praise the Lord for all He is doing and He will do the more. Count your blessings daily and you will see that the Lord has done great things. Do not forget that when you praise the Lord for the things He has done He will continue to beautify your life with new things. Many of us only remember the things we have not got.

Do not forget that when you praise the Lord for the things He has done He will continue to beautify your life with new things. Many of us only remember the things we have not got and that makes us look bitter inside. This is for nothing. If you are bitter with God, who then will do those things you need.

Psalms 107 is deal for every one. After all fasting, prayers and studying the word, the last thing is praises. Praises facilitates our miracles to come quicker than planned. Praises make heaven happy and active in operation. Sometimes I have come out the bed and wanted to pray and it seems not passing well, and I just turn to praises and my inner person is

tuned into active force and the prayer language is released and things get well done.

Some of the time when I sing alone inside the room, I dance and make things for me. Every one may not have the same temperament but it is good to show appreciation to God. As I mentioned at the beginning of this chapter, Tithes, offerings, vows, and giving for the work of God shows appreciation to God. As I mentioned at the beginning of this chapter, Tithes, Offerings, vows, and giving for the work of God shows appreciation. It shows we love God without reservation. That is also praise and as we do it, we must be joyful in our heart can hardly be sick, a praising man can hardly find things very difficult. When the difficulties come, they are disorganized by the power of praises. After every other thing the greatest we can give to God is our praises.

I have come to church sometimes and my body seem too hard like Iron and I say to myself how will it happen today, but immediately we turn to the praising time, the anointing comes down and the whole thing changes to the glory of God. The body, becomes very flexible, the anointing is there for any kind of active work, and the miracles takes place. There is power in praises, there is also anointing that works the miracles in praises.

The devil is not happy when he sees a Christian praising the Lord. God is his enemy and he will not hear one saying thank you to God. He cannot do any thing good and will not want people say thank you to the one that does great things. When you find yourself not praising the Lord it means you are an ungrateful child of God. What is that thing that is depressing you, try praises and your way will be open. Try praises and the windows and doors of heaven will be open for your supply. God is waiting for you, begin today and show

forth the praises of Him that has used His blood to redeem you from the curses of the devil. Let us praise the Lord.

## CHAPTER 13

### FORGET NOT THIS POWER THAT BACKS YOU UP

One thing is very sure about this life, we need power to operate in this world. We can not live in this very world of sin where the devil is out to work havoc without the anointing of the Holy Spirit and without God backing us up in every thing we do. Some of the times, we think we are doing this work by ourselves and that is the reason why we fail. When we forget that there is someone in charge of this work and even in charge of our lives, then we see ourselves heading to the wrong direction that leads to destruction. The devil always wants us to forget about the power of God that is backing us, and he wants us to trust in ourselves and learn in our own understanding.

***Trust in the Lord with all your heart; and learn not to your own understanding. In all your ways acknowledge Him, and He shall direct your paths.***  
***Prov. 3:5-6***

When you forget that there is power behind your operations, you will begin to be afraid. Once, I wanted to lay hands on an AIDS patients and the devil was telling me that this man that is sweating like this can transfer some things to you and I rebuke him. Another time it was a woman having a serious disease and the devil told me that after this prayer this thing can now come over to my life and I told the devil let him do it let me see, and I told him that I am immunized by the blood of Jesus Christ and that there is power behind what I am doing and that voice seized immediately. Actually before I come to know the authority of the believer, the enemy has been using this type of means to disturb me and sometimes I give in to fear though I have prayed, but after a long time the Lord delivered me from such thought and torments of fear.

***“Then he called his twelve disciples together, and gave them power and authority over all devils, and to cure diseases. And He sent them to preach the kingdom of God, and to heal the sick”.***  
***Luke 9:1-2***

It is not a surprise that the disciples of Jesus Christ were called together to receive power and authority for their operation. They were going into the territory of the devil, who was already dominating the area they were send to preach. He told them to preach and cure.

## DEVELOPE A FEARLESS HEART

We can do nothing if we forget that we are only operating through someone's command, and must do things the way He wants us to do. We need power but we must use it and liberate people that are under the bondage of the devil. The enemy have dealt with many Christians because they forget the authority and the power that the Lord gave to them. they do not recognize their person in the Lord. Some people utter this ignorant words, "The devil is powerful" that is lie, his powers has been taken from him.

***"And having spoiled principalities and powers, He made a show of them openly, triumphing over them in it. Col.2:15.***

The Lord was speaking to the children of Israel not fear their enemies because He is the power that works with them. he backs them up from the time they went out of Egypt. The devil made the children of Israel sometimes to forget God and walk in the flesh by making a golden calf calling it the God that brought them out of Egypt. We are also sometimes carried away by the things around us that the devil makes us believe that we can do it alone without God.

***"Then he answered and spoke to me, saying, This is the word of the Lord to Zerubbabel, saying, Not by might, not by Power, but by My spirit, says the Lord of hosts. Who are you, O great mountain? Before Zerubbabel you shall become a plain: and he shall bring forth the***

***headstone thereof with shouting, crying, Grace, grace to it. moreover the word of the Lord came to me, saying, the hands of Zerubbabel have laid the foundation of this house; his hands shall also finish it; and you shall know that the Lord of hosts has sent me to you. For who has despised the day of small things? For they shall rejoice, and shall see the plummet in the hand of Zerubbabel with those seven; they are the eyes of the Lord, which run to and fro through the whole earth". Zech.4:6-10.***

We must know that we are not alone, whether sleeping or walking on the way. Until you develop your inner man you cannot understand that God is working. He does not work through the body, He does everything through the spirit man. Courage, faith, and strength comes from the inner man, likewise discourage, fear, unbelief, doubt etc. when you are already defeated from the inside, your outerman will only manifest the defeat that has taken place in the spirit.

The devil knows when you are trembling because of what you think about him, he uses that advantage to put you down and finish you up.

Your heart must be developed to great things and not to fear since we have God behind our actions. The disciples of Jesus were conscious of the power that they received, they went out and put them into practice and it worked. If they neglected this power it would have not worked at all. You must know that the Lord is behind you to do your good.

***“But now thus says the Lord that created you, O Jacob, and He that formed you, O Israel, Fear not: for I have redeemed you, I have called you by your name; you are Mine. When you pass through the waters, I will be with you; and through the rivers, they shall not overflow you: when you walk through the fire, you shall not be burned; neither shall the flame kindle upon you. Isaiah 43:1-2***

***Thus says the Lord to His anointed, to Cryrus, whose right hand I have holden, to subdue nations before him, and I will loose the loins of kings, to open before him the two leaved gates; and the gates shall not be shut. I will go before you and make the crooked places straight: I will break in pieces the gates of brass, and cut in sunder the bars of iron: And I will give you the treasures of darkness, and hidden riches of secret places, that you may know that I, the Lord, which call you by your name, am the God of Israel. For Jacob My servant’s sake, and Israel My elect, I have even called you by name: I have surnamed you, though you have not known Me. Isaiah 45:1-4.***

**BELIEVE AND ACT**

If you do not know that the host of heaven are behind you, the enemy will always bring his lies and you believe them

and fear. You must know that we are not orphans, we have a Father that is out to fight against our enemies.

I came to my office one day and found a lady seriously sick of Typhoid fever, she had pains all over her body, her belly she said was like fire was burning inside and she felt as if there were needles inside. She could hardly talk because her head was aching. After counseling her and leading her into confessing the words of faith, I laid hand on her and the anointing penetrated into her spirit and she failed screaming and instantly after that everything that was planted in her by the devil departed. She just met me two days later to inform me that she felt God’s touch that day and now she is as strong as Iron, that she can do any thing now unlike before. This is God working, liberating the captives, but sometimes we forget that we have such power in us, and the devil uses it to get rid of us in many areas.

***“And the seventy returned again with joy, saying, Lord, even the devils are subject to us through your name. And He said to them, I beheld Satan as lightning fall from heaven. Behold, I give to you power to tread on serpents and scorpions, and over all the power of the enemy and nothing shall by any means hurt you”. Luke 10:17-19***

***“They shall take up serpents and if they drink any deadly thing, it shall not hurt them: they shall lay hands on the sick, and they shall recover. Mark 16:18***

When in Luke chapter ten verse one the Lord sent out seventy disciples to preach where he will later go, they humbly went. All the seventy were not apostles, but many were disciples that were trained to help the apostles accomplish the vision of our Lord. They were all given the power to heal, deliver and liberate those that were under the bondage of the devil

I believe that the Lord explained every thing to them, what they were going to do and how to do it. I also believe they recognized that they can only succeed if they can do what they were sent to do in a normal way. Any man who must succeed in life must listen to instructions and apply them into day to day life.

They came back and gave report of what happened, they believed that the name of the Lord can work out, they went out in faith and the Holy Spirit wrought miracles, and demons were subject to them. first, they believe they can do what the Lord told them to do. They practiced it and it worked out, they became very happy.

I recently understand that no man can ever succeed until he has built up his mind to do so. You can not operate in the anointing until you build up his mind to accomplish great things in the kingdom of God. I have decided to stand my ground at all times no matter what is happening, and I command you to stand too in Jesus Name.

One evening a member of my church told me he was sick and he was told it was caused by electric fan, and I immediately confirmed that such things can happen through fan and after that little discussion we prayed and he went to sleep, and all through the night he was in agony. Early in the morning as I was praying the Lord spoke to me through revelation that it was not electric fan that an enemy is

attacking this man, I woke out of prayer immediately and ran to his bed room and told him what the Lord has said, and that morning the problem was so serious that he was determined no to go to work and you can see the whole thing on his face. Immediately after talking to him, I took authority against the works of the devil and rebuke the spirit in charge of that sickness and instantly he was made whole and prepared and went to work and came back until today without that sickness again. The devil made us to believe that it was electric fan that caused that thing to him, and if the Lord had not spoken to me, we would have allowed him to be suffering and it can also increase and bring in other things. The devil will never allow you to know that he is working somewhere, he always like to hide so that people will not know what he is doing. If he can stop all Christian from knowing that he is the one in charge of the evil in the world he can do it so that no one will come to attack him. When you find out that he is incharge some where, cast him out and get your brethren set free in the name of Jesus Christ.

A member of the church after one anointing service where we also anointed our handkerchiefs as the Holy Ghost Mantle, he went home with his own handkerchief and hit inside his house in every corner, the rats that were disturbing in their house seriously all died in one day. That was the power of God in action, he spoke to them before he hit the mantle around the room and the Lord did it.

***“And when the servant of the man of God was risen early, and gone forth, behold, an host compassed the city both with horses and chariots. And his servant said to him, Alas, my master! How shall we do? Fear not: for***

***they that be with us are more than they that be with them. and Elisha prayed, and said, that he may see. And the Lord opened the eyes of the young man; and he saw; and behold, the mountain was full of horses and chariots of fire round about Elisha. And when they came down to him, Elisha prayed to the Lord, and said, Smite this people, I pray you, with blindness according to the word of Elisha”.***

***2 kings 6:15-18***

***“When they were but a few men in number; yea, very few, and strangers in it. when they went from one nation to another, from one kingdom to another people. He allowed no man to do them wrong: yea, He reproveth kings for their sakes; saying, Touch not My anointed and do My prophets no harm”. Ps. 105:12-15***

This is very regretful that a man can be moving with an anointed of the Lord without recognizing the protective power that works with them. Gahazi was completely ignorant of the God they were serving and what He can do. He was afraid of the enemies that came to attack them, He was not away of the heavenly support, the host of heaven that fight for them, that protects them. He thought they were alone, but he asked the Lord to open his eyes to see that greater is the power that is surrounding them than the ones that have just come to attack them.

Many of us today in the church of Christ do not even know that heaven leave us to suffer in the hands of the devil shamefully. We are Gods children, he has given us in His

angels to protect us at all times, and even Himself does not sleep to see us destroyed, Psalms 121:1-6, Psalms 34:7

Elisha knows that God is behind him. He did not call himself, God called him and the promises of God concerning him can never fail. He just told the Lord, to make his servant to see what himself is seeing. He know that there were angels and chariots of fire around, protecting and guiding them from danger. He trusted and believe that God can never disappoint him. We must have such confidence on the power of the Lord. The Power of God gives us ability to march on the powers of darkness. How do we march on them? we use the word of God to speak to the devil and his co-horts and they flee. The name of Jesus is a great weapon against them.

When problems comes very hot the devil wants to make us to run away but that is not the solution, where ever you run to the devil can still send his demons to find you out and deal with you. The best thing we must be doing all the time is this, asking God to intervene. We can dismantle the host of hell with the power that backs us up. Several times, the devil have spoken through people that they will do me evil, but it does not move me since I know that our battle is not physical but spiritual. I can see them but they can not see the power that backs me up. They do not know that the God who created the heaven and the earth can fight on behalf of little person like me. They also forget that God honours those that honours Him. God has taught me not to worry myself in times of affliction.

One morning I phoned my Cameroonian representative and he told me that he was having serious pain in his neck after sleeping, he told me he could not just turn his neck, and I told him immediately to put his hand on his neck, and I rebuke the pains. He responded that he heard some noise and the

whole pains disappeared instantly without delay. He started rejoicing. Beloved we must know that the Lord is always working hard on our behalf on daily bases to deliver us at all times. We must recognize that His presence is ever near us to help.

This is the last days and the Lord want to use us for the last day battle. He is waiting for us to come close to Him. He wants us to use what is already available. His power is infinite and can do all things. When we call on him he can never refuse to hear us. We are the sheep of his pasture and children of the kingdom that Jesus Christ has died for. We need Him at all times.
