INTRODUCTION

YOU CAN RISE AND REMAIN ABOVE ONLY

Men of great height in many areas of life did not jump into that height in one day, they conceived an idea, worked on it, gave it patience and it came to pass. You are not different from history makers, you too can rise to the top and people will read about you. When you discover who you are and work it out, God will reveal you. Do not allow any man to put you down.

Impossibility thinkers are contagious, they can bring down good visions, destroy good ideas and even have the ability to kill and crush an already started vision. You don't need them, they are like sand in the food you eat, and they are as bitter and dangerous as death. They can kill. They can stop you if you allow them.

Many people have made it in life and their names can never be forgotten until the end of this world. Of course, many will still have their names written on the twelve gates surrounding the new heaven, the apostles' names, for what they have done, and even others that have achieved great things to the glory of the Lord will have their names remembered in heaven. You have a record with your name on it.

A lot of people have genuine reasons why they cannot rise to their desired level of life, but if they had a little bit added more effort they would have gone beyond the average to the mark of

excellence. You can rise to 100% beyond mediocrity and be a star that leads others.

Maybe you are not educated, from a poor family, an orphan have suffered from birth, despised everyday by equals and no one cares. Go around and ask people if there is anyone in such a situation before, if there is, ask them how they made it in life, and without the walls holding you captive. Take a step out of where you are in the prison of poverty and march toward the palace of your survival and greatness, and the Lord will give you victory.

CHAPTER ONE

YOU ARE A ROYAL SEED

It is very surprising that many have never discovered that they are born of a royal seed, with hidden great treasures that can bring wealth around them. Naturally man may not understand what lives inside of him until he begins to ask this question, "What actually is in me?" Man is made of the image of God, and I believe that the creator of the heaven and earth will never make people that resemble Him to be of ordinary value. God has made us a valuable and important people, but we have to appear that way. When God finished creating man, He left his image and breath in man, of course He wishes that man should reason, behave, act, and in fact do everything like Him. Therefore it is now in the hands of man to know what exactly he desires us to be. You are a royal seed, born of a great God, made to live in wealth. Immediately you gave your life to Christ, you are

counted a royal seed. A prince or princess in the hand of the Lord. Our God desires us to be great in all aspects of life. He wants us to represent Him here.

"But you shall remember the Lord your God: for it is He that gives you power to get wealth, that He may establish His covenant which He swear to your fathers, as it is this day".
Deut. 8:18

You must think like God, behave like Him and carry out plans, unending plans to His Glory. Your tomorrow's success depends on your today's way of reasoning. You must know that every brand new day brings you into brand new contact and relationship with God, there you must ignore your limitations and shoot out new branches of life that will inspire others.

HEAVEN CAN NEVER SAY NO TO YOU WHEN YOUR LIFE IS FILLED WITH IDEAS THAT CAN BRING GOD GLORY.

Do you think you are pitied by God because you cry every day for your poverty without doing anything about it? or do you think you move God by thinking of getting little things instead of reaching out for great things? You must develop a burning desire to be great. God is our father, He has a kingdom and He desires us to be addressed in His resemblance. We must conquer that enemy called mediocrity and to be average in life without reaching out unto great things makes us strangers in the covenant wealth of God reserved for us. Do not say I cannot since there is divine ability within you to make a change to come.

***“A man’s heart devises his way: But the Lord directs his steps”
Proverbs 16:9***

Somebody must rise up and present a plan to God. We can never remain idle and say if God wants, He will make me great. Our God wants people to see his glory upon our life, of course God’s desire is that people will see us and recognize that we are serving a living God, the Maker of heavens and the earth .Make friend with those that will leave you better than you were, the people that have the same future that can change your life today into a great future. God never made us to be mean people, but rather those that will inspire people to serve God by what they see in our life. May be God is waiting for you to put laughter in the mouth of many that have mourned for many years by achieving what many call impossibility. Develop an obsessive thought of possibility thinking against everything that men think impossible. If you do not develop a lasting ability to reject what others think impossible , it is dangerous , it is a deadly poison. Reject it. Listen your head, fits a crown. You are a royal seed and from a royal family of God. The work that Christ did on our behalf makes us to be great. You may be poor as you are reading this book, but from now change your thought and attitude concerning your life and future. The power to make your future lies within you. You are never ordinary since the hand of God is upon you . The miracle of your change begins with the way you will begin to think from now. Change your way of reasoning and discover who you are, put your life into action and the Lord will direct your steps ; never make yourself empty , all that will make you great is awaiting you to be exploited. It may not be easy at the beginning but God watches over you to fulfil His plans in you.

CHAPTER TWO

DISCOVER THE REAL YOU

You have a duty, a great work if I am to use that word; but you may ask, what is this duty? It is to discover the hidden treasures that God has placed within you for your upliftment and greatness. Of course I know from now you must have understood that you are born to inspire, up lift and build your life and that of others. You are a commander, not just an ordinary person. Many may choose to be kite instead of eagle because of the time and what it take to be. You have a place in the heart of God, he will not be satisfied until he sees you the exact person he intends you to be. Have you taken time to ask yourself, this question, why am I made to be here on earth? Is it just to be born and to disappear? Without leaving a foot print or making impact that others will follow. Without leaving my name mentioned daily by people after my departure? No is the answer, I know. If you do not achieve anything here on earth it will be as if you have never at all entered into this world. You have no duplicate life, neither another life to live on earth after your departure. Once you leave here, you never come again. Act now or never. You just have one life to live on earth, and after that you will depart. You must have a vision to place your name on it to the glory of God. You must die but your name continues because of your achievement on earth. The vision, you have accomplished on earth represents you after you might have gone to stay with the Lord. God is

waiting for you. You cannot come back again to see what you have done, it is only those that live after you that will know if you have left anything or not. You are so important that you cannot afford to mess up your life without achievement or success. Men that fear big projects are not good for the planning that brings great success. You may have been hailed by those around you for the little thing you have achieved, but is that the ultimate God has destined you to be? Is that all you can do to change your world? Think again, pray again, act again and new ideas will come for greater things.

MEN THAT FEAR BIG PROJECTS ARE NOT GOOD FOR THE PLANNING THAT BRINGS GREAT SUCCESS.

You either make your life count now or never. If you have ever desired to help anyone in this world, you can't be an ordinary fellow and help any body, so desire to be great from what God has deposited in you. You have potentials, talents and other things within you that can create vision and make your name great. No man is ordinary except those that have decided to put themselves down. We know some handicapped fellows that are making great impact in the world. Try to start that thing you want to do, if you will be happy not to stop again. Do not die until you get yourself satisfied by bringing glory to God in leaving things that will help men here on earth. Leave behind things that will always speak of you, things that will inspire the generations to come. Can it be that you have no one that had motivated you in the past, but today you can mount up with wings like eagle and do great exploit. Rise beyond the normal life. This thing called mediocrity is an enemy, refuse to be put down by it.

I have said to myself, James Israel, you can never afford to die a miserable death by leaving your name not mentioned always by those who want and those who do not want. When you leave any valuable thing as legacy, it will always speak of you. You just have one life to live on earth means just one day to disappear from the earth. So write your name on the table of gold so that many generations will read and copy.

Can we say that many have never discovered that there are hidden treasures from God deposited in them. No wonder a lot of people live in begging and die beggars. Beloved, what is happening now has no right to dictate your future. There is a proverb that says that the sheep told the dog, that thing you saw and started barking, I saw it also but I kept quiet. Many people allow little problems to stop their future. People of faith turn problems to God's programs to bring great success in their life. Crying does not solve the problem but rather facing it and overcoming it. You can do all things to Christ. The seed of corn may be planted before an Iroko tree, one thing is sure, the seed of corn sprouts out quickly, but the corn has no long time to stay and go, though it may grow out quicker than the Iroko tree, the Iroko tree is allowed to come out and grow, and get matured, it stays for decades and it can continue to stay except if it is cut down by some one because it has a limited time to stay. Do not allow the already existing things to stop you. You may want to open a school, a business, an industry, beloved go on and do it. God will back you up. Plant a lively seed today in order to reap quality harvest tomorrow. Do not be afraid of already existing investment of earth. You can come up and do greater and better things than them.

PLANT A LIVELY SEED TODAY IN ORDER TO REAP QUALITY HARVEST TOMORROW.

Some people think that because other people have started out business and growing rich before them that they can't make it again. Don't allow the fame of anyone to stop you. After all, that one is born first in the family does not mean he will be the best in reasoning, behaviour, riches or better in other things of life. Take time to discover what God has placed in you and make good use of it. Your head fits a crown. Heroes are made out of great trials. You are a star to your generation. Why do you be little yourself and keep on making people to pity you as if God has made mistake in creating you. No, there is something in you that no one can bring out except you and even if others discover the great treasures hidden in you, they cannot be effectively used if you refuse to allow them to be dig out. Listen! You are great, not just a mean person. The Lord knows no one can occupy your place for Him, you are the only existing person in this world to say yes to the greatness God has planned for you.

CHAPTER THREE

DEVELOP THE HIDDEN TREASURES IN YOU

You cannot develop what you have not discovered, that is why you must first of all discover that there is something good and great in you, before you think of developing it. No one is made of fake material, only those that make themselves fake in the sight of men and God. The development of your hidden treasures is your responsibility. Your development may require leaving where you use to be comfortable to a new place of discipline. It may not take much time to discover a thing, but it takes time to

develop and make something to work out very fine. When you discover a thing, it will require all your time, energy and intellect to make it great. This is where patience and perseverance must be applied. You must first remember that God has placed a royal seed in you, and think on how to develop it.

NO ONE IS MADE OF FAKE MATERIAL, ONLY THOSE THAT MAKE THEMSELVES FAKE IN THE SIGHT OF MEN AND GOD.

It may require meeting some people for advice, or even sharing of ideas and or going for more formal or informal education. You may likely, leave where you are to get something very far from your station, but one thing about becoming what you desire is this, it requires. There is nothing impossible if you can strive to win the challenge that faces you. Numbers chapters 13 and 14.

No one is exempted from becoming great. Make out time with people that can help you to bring to pass those things you desire. Meet with people that are greater than you, those of meek and humble spirit. You may want to be a great author, a company director, an educationist, a great leader in any area of life, etc., all you need to do is let desire grow daily and work toward that thing you have in mind. Give it proper attention then you will make it. The ideas you despise today may bring your greatest wealth tomorrow. Make your name to appear on the golden list of achievers of the world through desire and work. Work in your ideas, do not allow them to slip out of your mind. The only barrier that can stop you from becoming what you desire is thinking of what people will say if you fail. Write down your vision, read them daily and be motivated into action. Procrastination is a killer, a real killer disease, it has killed many visions and dreams. Do not allow it to visit you.

THE IDEAS YOU DESPISE TODAY MAY BRING YOUR GREATEST WEALTH TOMORROW.

God rightly said, “The silver is mine, and the gold is mine,... Haggai 2:8, He gives it to whosoever He wills. God cannot give you silver and gold if He knows you will not use it to alleviate poverty from people. This silver and gold may be ideas or even your relationship with others for your upliftment. When silver and gold are given to you from above, you are more than an ordinary king, if you righteously and wisely make use of them. You need to understand that when God was creating you, he took time to uniquely bring you into this world, and this He expects, that you bring him glory at the end. Close every border from where negative thoughts will come. Start out doing that thing that God has placed in your mind you will be surprised your limitations will become a byword. If you are filled with impossibility thinking, you can't go more than what you are doing now and that can hinder God from visiting you. You are only favored when there is something you want to do.

“For I know the thoughts that I think toward you, saith the Lord, thoughts of peace, and not of evil, to give you an expected end”. Jeremiah 29:11

You may not have taken time to ask yourself, what is God's thought concerning me? When he was creating me, He just want to bring a junk into the World? Was He lacking one useless person and He wants to fill the gap? Think of anything bad in the world and ask yourself, was it where God wanted me to belong? You really know the answer, and that is No. If the answer is no, then you must ask yourself what must I do to wear a crown in this world? There is a royal seed in you, He placed it there. Develop a right attitude towards life, take time to know yourself

and the things that can set you on top and pursue them. If God is with you, you can't fail. All things are possible with God. All you need to do is to discover the treasures. Value them and make great things out of them. Be creative, learn more and build good things out of your life. Whatsoever you desire is possible if you allow the potentials within you to be developed. Do not become an imitation, be original. Develop yourself for others to copy. If you settle your life on the normal without challenges, you can never be a champion. Warm up and strike again for the higher things to come.

CREATIVITY IS THE STAR THAT LEADS A MAN TO HIS DESIRED DESTINATION.

Give that thing you need a burning desire. Work on it and give it patience, then allow everything that relate their development to mature, you will see everything come to pass. Do not waste your time with those wasting away, strive to wear a crown and then be their king. Beloved, you are a king in then inside, but you have to make it appear outside of you. Go near a mirror, look at yourself for sometime, speak to yourself over the mirror. What do you say? Say the things you have been desiring to come to pass in your life. Say, the seed of royalty inside of me must come out and shine. Say, that king that God meant to be must be. Because Christ lives, I must live and be on top.

FACING YOUR CHALLENGES WITH A FEARFUL HEART WILL ONLY GIVE YOU AN ENDLESS FAILURE.

Say those things loudly, confidently and believe in them. what do you think about those saying, of course, you know that God desires great things of you. You remember how Elisha refused the sons of prophets to stop him from reaching his goal. He needed a double portion from Elijah and he got it. Soon your true nature will appear and that look at you with dismay will admire you, if you dare to advance into a new adventure. Give yourself a big smile in advance. Be settled in you that any project that God directs can never fail, except you decide to fail. Rejoice within you because your success will soon hit the mark if you stand firm on your decision and actions to be an achiever. God has a good thought towards you, to give you a good future and marvelous end at last .

“He raises up the poor out of the dust, and lifts up the beggar from the dunghill, to set them among princes, and to make them inherit the throne of glory: for the pillars of the earth are the Lord’s, and He has set the world upon them. he will keep the feet of His saints, and the wicked shall be silent in darkness; for by strength shall no man prevail”.
1 Samuel 2:8-9

God is still raising up people, He will soon raise you to the top. If you are down today, sure, the Lord will raise you to a level of dignity and honor. You may be in the lower state of life today, but the treasure in you is great. Don’t settle down on the dust and think that is your place. You have a greater and brighter future to see.

Immediately God has raised you up, you are no more an ordinary person, you will then be rebuked among the kings and princes of

the earth. Once God has remembered a person, he is now greater than his equals.

GOD ONLY WORK WITH THOSE THAT ARE READY FOR HIM AT ALL TIMES.

God sets people apart for a purpose, and you are one of those he has chosen for greatness. Listen, the dust is no more your right dwelling place, and you can no more eat from dung-hill, God has decided to put shame out of your life and set a crown of gold upon your head. Sure your head fits a crown, and here is it upon you if you allow God to work in your life. You may not be from a royal family as the world call it, but God is beginning with you to set royal people in your family. If you have tried something before and they failed, it is normal to fail. But that’s not the end, when failures come in, we still rise up and continue until our name is written on the platter of gold.

FAILURES ARE DEVIL’S TRAP FOR THOSE WHO DO NOT HAVE TRONG WILL AGAINST HIM.

Listen, you are the light that your family has been waiting for. You can’t afford to disappoint your people, they really depend on what you can do. God is behind you, act now or you miss it forever.

“Wealth makes many friends but the poor is separated from the neighbors. Many will entreat the favour of the prince: and every man is a friend to him that gives gifts. All the brethren of the poor do hate him: how much more do his friends go far from him? he pursues them with words, yet they are wanting to him”.
Proverbs 19:4,6-7.

That the spirit of poverty kept you under bondage and destroyed you will be a surprise but that you overcome poverty and rise to the top life is not a surprise because many have overcome poverty and are now on top. Make poverty your greatest enemy, have nothing to do with it, abhor it as you do to poison. Until you hate poverty with perfect hatred the enemy will keep on misusing your life.

CHAPTER FOUR

YOU CAN WEAR A CROWN IN YOUR HOME

Except the Lord build the house, they labour in vain that build it: except the Lord keep the city, the watchman wakes but in vain. It is vain for you to rise up early, to sit up late, to eat the bread of sorrows: for so He gives beloved sleep. Lo, children are an heritage of the Lord: and the fruit of the womb is His reward. As arrows are in the hand of a mighty man; so are children of the youth. Happy is the man that has his quiver full of them: they shall not be ashamed, but they shall speak with the enemies in the gate. Ps. 127 :1-5

“Through wisdom is an house builded; and by understanding it is established: And by knowledge shall the chambers be filled with all precious and pleasant riches. A wise man is strong; yea, a man of knowledge increases strength. For by wise counsel, you shall make

your war: and in multitude of counselors there is safety”.
Prov. 24 :3-6

BUILDING A HOME OF YOUR CHOICE

Marriage is like a building, it requires wisdom and knowledge of God to build it. Since it is a vision from heaven, then it requires the help of He that formed it first. Except the Lord builds your marriage, you will simply be labouring in vain. It requires love, understanding and proper connection to the Spirit of God to get all you need in your home. The success of your home is a choice, it does not fall like ripe fruits from heaven. When you have a wrong picture of your husband or wife in your mind, you cannot be happy in that home again until you change that image. Such bad pictures of your husband or wife in your mind will always make your spouse good intentions to be misinterpreted. You can't have peace in your life if you take away your spouse's peace.

CHOOSING THE RIGHT PARTNER FOR LIVING

“Wives submit yourselves to your own husbands, as it is fit in the Lord. Husbands, love your wives, and be not bitter against them. children, obey your parents in all things: for this is well pleasing the Lord” Colossians 3 :18-21

No man or woman is an angel, but any man or woman can become an angel of any home by the making of a good woman or man. Genesis 2:18, 21-25 No man or woman has all the qualities it takes to make a good home, but every good quality needed can be cultivated. Don't choose a partner by the sight of what you see today, e.g. because of riches, education, family background, nationality, social status but by the love of God and the conviction of the spirit of God.

“Whoso finds a wife finds a good thing and obtain favor of the Lord”.
Prov.18:22

“House and riches are the inheritance of the fathers and a prudent wife is from the Lord”.
Prov.19:14

The success of your marriage is in your hands. Every good marriage is built by someone like you.

“Every wise woman builds her house: but the foolish plucks it down with her hands”. **Prov. 14:1**

“Through wisdom is an house builded; and by understanding it is established: And by knowledge shall the chambers be filled with all precious and pleasant riches. A wise man is strong; yea, a man of knowledge increases strength. For by wise counsel, you shall make your war: and in multitude of counselors there is safety”.
Prov. 24 :3-6

Every woman or man must have a vision to build a spouse of his or her choice. So you don't get tired until the spouse of your choice is found in your home. If it is a vision, it requires hard work and tolerance to get such a life partner. Isaiah 62:1-7.

BUILDING ACCORDING TO VISION

“And the Lord answered me, and said, Write the vision, and make it plain upon tables, that he may run that read it. for the vision is yet for an appointed time, but at the end it shall speak, and not lie: though it tarry, wait for it; because it will surely come, it will not tarry”.

Habakkuk 2 :2-3

Do you have a vision for your home ? if yes, then write, expand and explain that vision to yourself and build it to succeed. It takes a renewed mind to build an excellent home not conformed to the world. You may be wrong sometimes in your reasoning, admit that when you recognize it. Apologize when necessary. **Don't be MR or MRS ALWAYS RIGHT.** Some women will put on such dresses that seduce people in their home, that makes them to lose their value and dignity which God has made them for. Seduction is for your spouse and not for another person. We must not allow holiness to be lost in our character whether in the home or outside.

“Beseech you therefore, brethren, by the mercies of God, that you present your bodies a living sacrifice, holy, acceptable to God, which is your reasonable service. And be not conformed to this world: but be you transformed by the renewing of your mind, that you may prove what is that good, and acceptable, and perfect, will of God”.

Rom. 12 :1-2.

Never treat your children like animals, they are the princes and princesses of your home. How you treat them determine how they react.

“Fathers provoke not your children to anger less they be discouraged”.
Col. 3:21.

Your servants are some one's children. They are human beings, treat them as people Jesus also died for. If Jesus will allow all to go to heaven whether small or great, then think about that and change from threatening. Handle your servants with much care. Never also over labour them as task masters of Egypt, as slaves and not as children of God.

“Master give to your servant that which is just and equal; knowing that you also have a Master in heaven”.

Colossians 4:1

“Love not the world, neither the things that are in the world. If any man loves the world the love of the Father is not in him. for all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the father, but is of the world. and the world passes away, and the lust thereof: but he that does the will of God abides for ever”.

1 John 2:15-17

“Beseech you therefore, brethren, by the mercies of God, that you present your bodies a living sacrifice, holy, acceptable to God, which is your reasonable service. And be not conformed to this world: but be you transformed by the renewing of your mind, that you may prove what is that good, and acceptable, and perfect, will of God”.

Rom. 12 :1-2.

What you do and watch in your home and that which you allow your children to watch matters a lot. You must control your television which is the gift of God never to destroy your home. I can't imagine a true Christian watching pornographic films. Once I was watching a particular channel in the television and I saw a man and a woman having sex publicly. A big shame. Such should not be mentioned in

our home. There are a lot of out side influence that destroy and kill our marriage.

“Give not that which is holy to the dogs, neither cast you your pearls before swine, lest they trample them under their feet, and turn again and rend you”. ***Matt. 7:6.***

Value your home and never allow it to be a place anyone by any means can drop his or her trash or garbage. Your home is holy. Never give it unto dogs or pigs.

- Marriage is not bondage, slavery or captivity, it is God's mini-kingdom on Earth. Make your home a sweet place to live. Your home is God's kingdom on earth, you must make sure that all things move as God has ordained it to be.
- Decorate your marriage as you will want people to value it. Let the man be the king and the woman the queen of the home which is the mini kingdom of God. Your home is meant to be a place people will come and receive comfort. You can produce the character of true Christianity by your way of living and people will see it and glorify the God you serve.
- Never import an outside influence of anger to destroy the peace and joy in your home, neither welcome your spouse with a problem that existed before he or she comes back. Rest is the gift of God, allow it to take its place before any other thing. 2 Cor. 6 :14 -18

Do not be a brawling, barking, nagging, gossiping and aggressive spouse. Prov. 21:9,19. Prov.15:1

Colossians 3:12-19.

- Learn to protect the image of your spouse from destruction. Do not make your home a grave yard where many people are killed through gossip and slander. Prov.26:20 –28.
- **NEVER HAND OVER YOUR SPOUSE TO SATAN BY YOUR CHARACTER. PROV.24:3-6**

BUILD YOUR MARRIAGE ON A SOLID FOUNDATION

- The only power that can crush your marriage is the one you devote to Satan to work. 1 Pet 3:8-11
- The greatest obedience is the obedience in the presence and the absence of your husband. Phil. 2:12.
- When problems are properly handled in marriage, the bitterness in them disappears without delay. Isaiah 43:18-19
- When problems are given room in marriage your home becomes a dangers home. Prov.18:6-8
- The devil can never force you when you say no to his offer in your home. 1 Peter 5:8-9.
- When marriage is wrongly handled, you become bitter than better. Malachi 2:14-16.
- If love is given freedom to reign in any home, nothing stands to oppose and win. 1 Cor.13:4 -7

Love is the medicine that heals the most grievous wounds in marriage. There is great danger dwelling in the past shocks of problems in your marriage, they will stop you from cultivating a fresh love. Make Jesus the director of your home. Learn to say I am sorry Darling at all times. It is not costly to say. It heals a lot of wounds. Your marriage can change.

CHAPTER FIVE

BREAKDOWN YOUR HINDERANCES

This is the question many ask themselves in their hearts, “can I reach up to a kingly position?” They even condemn themselves when there is someone trying to help them to be on top. Some think they are holy if they remain poor, beloved that’s an archaic reasoning. Change and reason aright.

“Casting all your care upon Him for He cares for you. be sober, be vigilant; because your adversary the devil, as a roaring lion, walks about, seeking whom he may devour: Whom resist steadfast in the faith knowing that the same afflictions are accomplished in your brethren that are in the world. But the God of all grace, who has called us to eternal glory by Christ Jesus, after that you have suffered a while, make you perfect, stablish, strengthen, settle you”. 1 Peter 5:7-10

Don’t sell your birthright because of problems and trials and abort God’s divine destiny in your life. Every test brings testimony, trials bring triumph and the mess you find yourself forms your message. If you don’t see things through God’s word, you will sink in the devil’s deception. Your future is in your hand, you can work it out.

“If you faint in the days of adversity, your strength is small”. Proverbs 24:10

There are giants in everything you want to do, there are giants in the family you are born, there are giants in your immediate family you are raising up, there are giants in that business you are doing, there are giants in the mission field where you are, there are giants in the church, but you can cut their heads like David

and have total victory, 1 Samuel 17. What do you call giant, if not what others call rats. It is the way you see things that make them giants. You can reduce any giant in your mind and they become nothing. Matthew 5:10-16

***“In the beginning God created the heaven and the earth. And the earth was without form, and void; and darkness was upon the face of the deep. And the Spirit of God moved upon the face of the waters. And God said, Let there be light: and there was light”.
Genesis 1:1-3***

Reason and behave like God. You are made in the class of gods. You are a spirit just having a body. Your reasoning and creative ability comes from your spirit. God imposed light on darkness. God imposed creation on the world that was empty and had no form. Revelation supercedes facts. Facts says you cannot have it, but revelation says you can have it. Facts says you cannot do it, but revelation says you can do it. Facts says you cannot go there, but revelation says you can go there. The way you see and reason toward things matter. Many have failed because of what they see and know, while others use those kind of problems as a bridge to their success.

“I will bless the Lord at all times: His praise shall continually be in my mouth. My soul shall make her boast in the Lord: the humble shall hear thereof, and be glad. O magnify the Lord with me, and let us exalt His name together. I sought the Lord, and He heard me, and delivered me from all my fears. They looked Him, and were lightened: and their faces were not ashamed. Psalms 34:1-5

Give God praise for what you are and where you are now for that is a step toward your greater success. That you are nothing today in your sight does not mean you will be nothing tomorrow. Any way you are nothing in your sight but not in the sight of God who knows the potentials he has created in you. In football, we have seen losers at the beginning become winners at the end. Every winner was an ex-loser. Genesis 32:6-13, 24-29

***“And Jacob lifted up his eyes and looked, and behold, Esau came, and with him four hundred men. And he divided the children to Leah, and to Rachel, and to the two handmaids. And he put the handmaids and their children foremost, and Leah and her children after, and Rachel and Joseph hindermost. And he passed over before them, and bowed himself to the ground seven times, until he came near to his brother. And Esau ran to meet him, and embraced him, and fell on his neck, and kissed him: and they wept”.
Genesis 33:1-4***

Before Jacob met Esau he was afraid, but after he encountered with God and then met Esau, the case was a reverse. Every dream from God must be completed. Never ever think that any thing comes without opposition. If you have no opposition, you have no position in life. Opposition and competition are the engines that propels your progressive success. Competition will release your creative tension to mature. You can damn on the blessings of God because of inferiority complex. One thing is sure, if you desire the top of the ladder you can be there. Breakdown all the hindrances you think have built their strong hold in your mind for a long time.

“For there is hope of a tree if it be cut down, that it will sprout again, and that the tender branch thereof will not cease. Though the root therefore wax old in the earth, and the stock thereof die in the ground; Yet through the scent of water it will bud, and bring forth boughs like a plant”.

Job 14:7-9

A living dog is better than a dead lion. Always have hope that the end has not come. Look beyond what you see and look at what God says. Your desire can come to pass if you hopefully pursue it. I can hear the spirit of God saying, you need patience. Many women leave their homes when things get tough and rough, but others have stood until the bright day comes again. Many men have left their wives and children because it seems there is no way, but other men use the same opportunity to do better things for their homes. Desire is one of the greatest thing that motivates people into action. But every desire is depressed when there is no action. Whatsoever may be your true limitation, jump over them. Many have such limitations and hindrances and yet decided to make it in this life. Change your reasoning.

Many people do not have taste, they just accept any kind of nonsense that someone can give to them. Of course, a beggar has no choice. But if you have a desire, taste you will say no to the devil and the people that would want you to be a mediocre in the world. Do not stop in just ordinarily desiring a thing, but work to your desires and produce things that will last. Do not go half way, make your way to the end. Let that which you desire be achieved.

**TO OVERCOME THE ENEMY CALLED HINDRANCE,
YOU MUST OVERCOME YOURSELF AS A HINDRANCE**

You can make history, you can also be a support to others. You can make it. Put yourself where you can motivate others. Some will say I have no man to help me, listen God will send you to a man that can help you if you start and move.

The fear of beginning something is the worst fear, and immediately you cross such fear you can go far. Put your life in a stake by beginning that thing you desire. Your head fits a crown but work it out. You can have more than you desire if you come out from your shell and begin. Take time to think, pray, fast if possible, but not such that people do that produce no effect. Move to your closest and seek God carefully, you may add a biblical fast, using the word of God to remind God of his covenant with you. Desire, pray, move and it will come to pass. May the Lord give you a divine direction and connection. The relationship of Lot with Abraham blessed him. Lot would have not become great if he did not relate with Abraham.

“Therefore whosoever hears these sayings of Mine, and does them, I will liken him to a wise man, which built his house upon a rock: And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell not: for it was founded upon a rock. And everyone that hears this sayings of mine, and does them not, shall be likened to a foolish man, which built his house upon the sand: And the rain descended, and the floods came, and the winds blew, and beat upon that house; and it fell: and great was the fall of it”.
Matthew 7:24-27

There are many sand foundation builders which amounts to nothing and crush in a twinkling of an eye but there are rock foundation builders that make news and history in their

generation. The strength of your life, vision, family, business or ministry is determined by the magnitude of trials and temptations it has gone through and still stand firm. Build on the rock, no matter what it takes you to lay the foundation. Never accept a thing because it is easy, it may disappear with trial. Believe Romans 16:20 as true, "... the God of peace shall bruise Satan under your feet shortly. The grace of our Lord Jesus Christ be with you. Amen". If you count and stand on the grace of Christ you will overcome every temptation and shine forth as gold.

The people you relate with either build or destroy your vision. Some people are destructive agents in the midst of those striving for success. Make friends with those that can give good humor and help your ideas. Do not share your ideas with vision killers. Have nothing to do with people that will never encourage you. You can be criticized constructively, accept them for a better change and have nothing to do with destructive critics.

SOME PEOPLE ARE DESTRUCTIVE AGENTS IN THE MIDST OF THOSE STRIVING FOR SUCCESS.

The first book I wrote was not easy because of the first person I shared my vision with. He so much criticized the whole thing that I dropped it for ten years without doing anything. But one day I met a wonderful family that encouraged me, they so much motivated me that I started off and within a short time the book was out, and another one came out and they continued to come out till date. All these are possible today just because someone motivated me into action and that produced a reality. The right relationship brings motivation, but the wrong one makes you to live in procrastination or captivity. When you move with achievers you will strive to achieve.

For verily I say to you, That whosoever shall say to this mountain, Be you removed, and be you cast into the sea; and shall not doubt in his heart, but shall believe that those things which he says shall come to pass; he shall have whatsoever he says. therefore I say to you, What things soever you desire, when you pray, believe that you receive them, and you shall have them. and when you stand praying, forgive, if you have anything against any: that your Father also which is in heaven may forgive you your trespasses".

Mark 11:23-24

When you desire a change in any area of life, it will be as if you are beginning to climb a mountain. There is always a problem in every change, but one thing is when that change is affected according to your desire, you will laugh at last. Let your desire be godly. Allow God the first place and you will see the results. When he says go, you go and when he says stop, you stop. If he is there, you can bring to pass those great visions in your life through Him .

"Verily, verily, I say to you, Except a corn of wheat fall into the ground and die, it abides alone: but if it die, it brings forth much fruit. He that loves his life shall lose it; and he that hates his life in this world shall keep it to life eternal. If any man serve Me, let him follow Me, and where I am, there shall also My servant be: if any man serve Me, him will My Father honor.

John 12:24-26

You must first die before the seed inside of you will bring great results. The flesh of a fruit covers the seed inside and limits it to spring forth its great ability. Man's greatest problem is selfish love of oneself. When you love yourself without considering what God wants you to do you become a problem to yourself.

Any thing that has no eternal purpose is of no value to God. You can serve God well until you have willfully died to serve. God does not receive any service done in the flesh, for all such service will reap corruption with the flesh.

When I entered into the bible school newly, I was thinking that I could not do fine in the school because my memory was completely out of studies for a long time and I started thinking and talking about money and business. I was afraid that I cannot pass my papers. I was looking so inferior to others, I thought everybody were better than myself. Fear is a forerunner of a great failure. When you fear any thing you want to do, you have already failed in advance before you begin. You need to overcome the fear of beginning then you will succeed. Fear is natural but it can't stop you from beginning what God has put in your heart to do. 2 Timothy 1:7 says "For God hath not given us the spirit of FEAR but of POWER, and of LOVE, and of a SOUND MIND. After the normal studies, I will meet my lecturer for more explanations, and this continued until the first term was over and that was the end.

FEAR IS A FORERUNNER OF A GREAT FAILURE

I got brushed up and the next term I picked up, I was found in the principal's list which was always placed on the notice board, I continued to be in the principal's list until I left the school. First, I was looking at many people as being so spiritual and very educated, and this was almost trying to send me out of the school. Within me, I felt I could not make it, though it was hidden in me, but when I found out that I can compete with my co-students I buckled up and I made it by the grace of God. Imagine I, being in the principal's list, the same person that was afraid of making it, but I went to the top of the ladder. Praise the Lord. He did not fail me. I will always assure myself that if

others can make it, that I too can go up. Fear left me alone and courage came into my beings. My thought of failure and inability to make it left me and the Lord is glorified today. My desire was to be on top, I strive for it and I got it. I started believing in what God can do in my life, inferiority complex left me and my understanding and knowledge increased. Since then I do not believe in failures, and even when I fail in anything I still believe there is a way out.

THE GREATEST FAITH IS FAITH IN GOD AND FAITH IN YOURSELF

I got 3.8 out of 4 points, which is the highest marks. The girl that made the highest marks got 3.9 and she took the cup. Though I did not carry the cup but 3.8 was not meant for such people like me that was afraid at the beginning of the first term. I was even one of the recipients of one man's scholarship, though I could not go back to finish in the same school, but my marks brought me to the level of that scholarship award. I am just trying to say that you can make it to the top of the ladder if you desire it.

When procrastination becomes a part of your habit your future's greatness continues to linger

Don't tell yourself off and say I cannot make it. Crown is not only made for those from the rich families but for you too. You may be one of the richest tomorrow, it is not possible to fail if you stand and fight continuously to win in any aspect of life that you desire to make impact in the world. Bring yourself out of that shell that is covering you and the Lord will lift you to a level of wonder in the sight of people. Just assure yourself there is a position you want to keep in life, pay the price and have it.

“And the king loved Esther above all the women, and she obtained grace and favor in his sight more than all the virgins; so that he set the royal crown upon her head, and made her queen instead of Vash’ti”.
Esther 2:17

“The king’s heart is in the hands of the Lord, as the rivers of water: He turns it wherever He will”.
Proverbs 21:1

Beloved, I want to point this so clear that it was so strange to find the name of Esther as one of the names in the Bible. No one would have ever remember her, she would have died without recognition. Why? Because in the human point of view, she was an orphan, brought up by her poor uncle. He suppose to bring out his children when there is a demand on things that will bring honour, dignity, fame and profit. But he opened up to God and decided to do the will of God and not his. God touched the heart of the king when he saw Esther an orphan who dare to win in life. Nothing humanly qualifies Esther as a queen. She may be beautiful, but there were more beautiful ladies too, but she rose to the top of the list. She acted and God accomplished it. She was placed among the queenship competitors by faith and God acted on that faith and elevated her. What do you think about it? Make a move, take a step of faith in that thing you want to do, though you may not be qualified but the Lord will work with you.

A CROWN FOR ME?

Halleluya! An orphan becomes a queen. You too can go beyond what nature has turned you to be. Esther followed the instruction of her uncle and because God was with her too, she found grace and favour before the King and became his queen. Why not those girls from the rich and famous families, or those

ones from the noble homes, but God said it was the turn of Esther and nobody could take that position of kingdom from her. When it is your turn and season nothing changes the thought and imagination of God. God’s divine plan and purpose concerning you can not be thwarted. May the Lord remember you in Jesus name.

SHOW ME A PERSON WHO DO NOT BELIEVE IN HIMSELF AND I WILL SHOW YOU A MAN WHO CANNOT ACHIEVE ANYTHING IN LIFE

Mordecai believed in what God has deposited in Esther, he also trusted that God can make things to happen the other way round. He acted on what he believed and it worked out good. When God’s hands are turn in your favour no man can change it. When you are No. 1 in God’s list of favour, no one can make you No. 2. Listen, Esther did not lobby for promotion but she was confident that her time of elevation has come. She was such that delights in godly instruction, she may quite have said, I am orphan, I don’t think this is my place. Instead she was obedient, unlike many ladies today, even some young men who live in disobedience. She would equally said, my place is to serve in the lowest place forever. But she said within her, whatsoever God thinks for me, I think for myself also. When she was forwarded to complete for the kingdom as a queen she was there and did every thing necessary like others until God said it was her. Oh, how I wish you know what you are missing because you reason very negatively. Ponder over your life now and think of bringing up a better you. Let it be according to your faith right now as you act in Jesus Name. May the God of Esther, who is also my God act on your behalf today.

“And he brought up Hadassah, that is, Esther, his uncle’s daughter: for she had neither father nor mother, and the maid was fair and beautiful; whom Mordecai, when her father and mother were dead, took for his own daughter”. Esther 2:7

This is the finger of God: Esther, a queen? An orphan to reign in the kingdom where there are girls from great families? You too can, be on top, even the highest top. Give yourself a chance to reign. She was an orphan, her uncle taught her that she can be a queen and she believed it, she contested and won it. You can be a winner. Ofcourse, if you dare, you will be great. Esther 2:5-20. Do not just say, me; to have a crown? Yes you can have a crown as a success; your head fits a crown like Ester’s head. You can make it in any aspect of life, no matter your family background. When the things in you begins to come out, you will be desired by every one that looks at you.

“Now when the turn of Ester the daughter of Abihail the uncle of Mordecai, who had taken her for his daughter, was come to go into the king, she required nothing but what Hagai the king’s chamberlain, the keeper of the women, appointed. And Ester obtained favor in the sight of all them that looked upon her”. Esther 2:15.

Ofcourse, we know that greatness is not by power nor by might but by the Spirit of the Lord. But you must be out and do what God wants you to do. Act today and God will bring it to pass. You can’t be messed up in this world, the throne is empty, who will be there. Vashti is gone but who will succeed her? Esther has taken her place and she is gone. God is looking for those to reign on the throne of glory.

CHAPTER SIX

THE MISERABLE TURNED HONOURABLE.

Decide to leave that position of disgrace you have occupied for a long time. You must stand and prepare for success. Its is time to rise from that place that had buried you and then pick the position of honour God is interested, but are you working in with His desire, or are you still looking at your family background, your education, or other handicaps and misfortunes that has formerly affected you before? You can rise to the top if you so care for it. Try it and see, it works. Many have tried and found success in it. Rise up and challenge your challenged problem, you physical eyes may be deceiving you, but give it a trial. You cannot be a champion until you contested with someone or tried a particular thing and won. Even among the champions, there must be champion of champions.

THE IDEA YOU DROP TODAY MAY BRING YOUR POSITION OF GREATNESS TOMORROW.

You can be on top, and it can just now as you are reading this book and before dropping it God can drop things in your heart to establish you. Take a decision to succeed in life. Do you desire to be on top? Do you believe that the miracle that lifted Esther can be yours? If you believe then God can give you a divine connection. He can introduce you like Esther was introduced by her uncle Mordecai. Someone greater than Mordecai is near you there, that is Jesus Christ and the Holy Spirit. He can whisper to you what to do and come out of the mess you have been in for a long time. I release a divine break-through and divine connection upon you in the Name of Jesus.

“He that gets wisdom loves his own soul: he that keeps understanding shall find good”. Prov.19:8

Listen to the Holy Spirit, that good and heavenly voice in you. Do the right thing and you will strike the success room of God. Meet the right people, listen to their counsel and the Lord will see you through. Wisdom and good understanding can lift you to that desired height. May it be so in your life today to the glory of God in Jesus Name.

“So it came to pass, when the king’s commandment and his decree was heard, and when many maidens were gathered together to Shushan the palace, to the custody of Hegai, that Esther was brought also to the king’s house, to the custody of Hegai, keeper of the women. And the maiden pleased him, and she obtained kindness of him; and he speedily gave her things for purification, with such things as belonged to her, and seven maidens which were meet to be given her, out of the house of the women. Esther had not showed her people nor her kindred:for Mordecai had charged her that she should not show it. Esther 2:8-10

Mordecai thought like every other being, what if this affair fails? What will be the out come. But nevertheless he tried and placed her daughter in the line of the girls to be chosen as queen of the king. But notice one thing here, there is something of interest in the above scriptures. Please bear with me, take time to read the whole chapter 2 of Esther and see the whole drama by yourself and then let’s look at the scriptures above. There was no special

interest towards the girls from the side of their keeper when they were brought either by their parents or whosoever that brought them.

Remember, Esther was an orphan but when her uncle brought her to the keeper, the young girl immediately pleased the keeper of the women. She obtained kindness in his sight and he speedily gave her necessary things for purification. Why speedily? Because there was something so unique that God has placed in her life, that same thing is in you. That’s favour. Even if it is not there, the Lord will release you where you will find kindness and be favour in Jesus Name.

YOU MUST KNOW THAT GOD’S VERDICT OVER-RULES SATAN’S VERDICT.

The keeper gave Esther and her maidens the best place in the house chosen for the women. This is wonderful, there is something happening, God is about to crown a queen in the person of Esther. Listen, God can make a kingdom where you are and make you a king or queen. He may also send you where he can accomplish this in your life. I just mean that God wants to make you great in life, wait for it and see it done. You must desire it, move for it, work for it and get it. Your head fits a crown and non can stop it. I declare that you receive your crown of breakthrough in the name of Jesus Christ.

Mordecai was moving up and down every day to know who should become of the queen in making. Judging from what we see from the action of the keeper, Esther was already the queen elect before the result came out. May you never miss God’s ordained position for your life in the name of Jesus Christ.

ANY IDEA THAT IS TOO BIG FOR TODAY CAN BE THE GREATEST TREASURE FOR TOMORROW'S BEGINNING .

May be the devil have so much made you believe that you can never have a change again in life, but listen you have the power to reject the devil's verdict in your life. There is authority within you to stop the offer and plans of the enemy. Mordecai, would have also said, I am a captive, if I try they will catch me, but no, he tried and they made it to the top by wisdom.

CHAPTER SEVEN

MAKE IT NOW OR NEVER

“The stone which the builder refused is become the head stone of the corner. This is the Lord's doing; it is mavelous in our eyes”. Ps.118:22-23

If men reject you as a true believer, a child of God, they have given God the opportunity to work. God is your strength and not people. When he says yes no one can say no. Beloved when the hand of the Lord is upon your life, nothing can change the order of God. You can force a change to come. If God did not stop the tower of Babel it would have been real though it was evil desire but that was a great impact by decisions. They decided and started it and were ready to bring it to pass but God saw it and came down. You can move God in a good way to come down. You can cause God to come down to affect your life good.

MEN THAT PURSUE EXCELLENCE ARE NEVER TIRED UNTIL THEY COME TO A GREAT HEIGHT OF SUCCESS.

There is none like you. You may be identical twins but the treasures in you have precious things hidden in you and they will bring you up if you act. You have no copy and none can accomplish what God has brought you into the world to do. You are peculiar, so unique in this world. I have said it before, and I repeat it again you must know you just have one life to live on earth. If you die today it's all over. There are some opportunities you can miss and never see them again in life, therefore be careful the way you reason and act. In some decisions, your tomorrow may be too late for you. You may say tomorrow while God is ready to work it out for you today. If today is God's day and by portraits nation you leave your plans for tomorrow, you will find zero results. Take time and pay the price of what you are looking for and have it in full. Do you fear whether there will be failure in that your plan? Mordecai had the same thing but he still went forward and did what his heart has devised and designed, and God worked it out. God was making a way for the deliverance of the Israelites. You may be the next Mary to deliver people through what God has given to you. Mary became the mother of Jesus Christ. Though a virgin and of a poor family, but she accepted the word of God through the angel and became the wonderful woman of ages. The Angel said there shall be a performance. May there be a performance on your behalf today in Jesus Name.

You may be the next Esther in preparation, you do not know the next plan of God for his people else where.

NO GOOD IDEA SHOULD BE DROPPED FOR ANY REASON NO MATTER HOW RIG IT IS FOR TODAY'S BEGINNING.

Beloved, be prepared for God to use you, He will bring your desire to pass. Men that are in darkness are looking for light. You may be their light, give God a chance to work in you. Give your desire what it requires and you will see God in action. But you must know that the worst battle is the one in the mind of a man. Inner conflict, indecision or inner war of confusion. God is looking for no one else but people of decision. There were also many Israelites in Shushan palace, but they did not take step of faith, but he who dared become the father of the queen. Who will be the next father or mother of the next on the throne? May be you, but I desire you become the one. And I know you will be one. May it be so in Jesus Name.

YOU ARE THE NEXT IN THE LIST

The one you see as nothing today may become the next person on the throne. Then you must know how you threat yourself. Many will like to dress very tartared so as to receive help. There can be a change in a twinkling of an eye. The rejected stone can become the head, the chief, the strength of the building. Rejected, but now received. Abandoned, but now beckoned for admiration. It is always a marvel when God decides to take away captivity and replace it with laughter. When He takes away sackcloth and replaces it with garment of praise and when He changes our mourning into singing and dancing. He can do it for you today. May your miracle never tarry to come in the Name of Jesus. I decree that you become the next number one in the miracles list of God and I command your name to be wiped away from the poverty list of Satan. Let it be so for you from now and forever in Jesus Name I pray, Amen.

YOU CAN WIPE AWAY YOUR NAME FROM THE LIST OF SATAN IF YOU STAND FIRM WITH GOD AND WORK.

You may have enjoyed the dust for a long time but God is out to polish you and change you. Remember it is a long time God have decided to remove from the dunghill and put you to His glorious throne. You are a king. I command all your miseries to be changed into miracles, and let your stumbling stones be turned to your stepping stones from now in Jesus Name.

Turning a miserable person into an honourable can be the Lord's doing, that is why we must rely on Him for the change. Your desire will come to pass if the seal of God is upon it. Mordecai prepared Esther and the Lord sealed it and it came to pass. May the seal of God come upon your proposals in the Name of Jesus Christ.

“The silver is Mine, and the gold is Mine, says the Lord of hosts”.
Haggai 2:8

If the silver and gold belong to God, then He is divinely committed to give it to us and make kings and Queens out of us (1 Sam 2:7-9). Remember, He raises the poor up, and even the beggar He raises up and brings them to the throne of glory. Oh! My Father in heaven change the position of this person that is reading this book now in Jesus Name. You can still say like the Psalmist, “I waited patiently for the Lord; and He inclined unto me, and heard my cry. He brought me up also out of a horrible pit, out of the miry clay, and set my feet upon a rock, and established my goings”.

**WHEN HEAVEN REFUSES TO SUPPORT YOU, SURE IT IS
BECAUSE YOU HAVE REFUSED TO SUPPORT HEAVENLY
IDEAS.**

You know that God will not just raise up the poor from the dust without putting him on a throne, like the psalmist said, He does not only bring us out of horrible pit and out of the miry clay, but he establishes our goings. Ofcourse, He goes before us, destroying every plans of the enemy against us. If He goes before us, He takes us to the hidden treasures that we cannot find by ourselves. Allow Him to take you to the place of your divine fulfillment in life.

“I will go before you and make the crooked places straight: I will break in pieces the gates of brass, and cut in sunder the bars of iron: And I will give you the treasures of darkness, and hidden riches of secret places, that you may know that I, the Lord, which call you by your name, am the God of Israel”.
Isaiah 45:2-3

From today I command you to come out of the horrible pit where Satan has placed you in the Name of Jesus Christ. May the Lord set you upon the throne of glory as you begin to understand heavenly ideas and put them into action.
